Who Wrote The Book Of Revelation:

How John Wrote the Book of Revelation: From Concept to Publication Kim Mark Lewis, 2015-11-22 How John Wrote the Book of Revelation is the first of its kind and introduces genetic literary reconstruction to Biblical studies It enables the reader to produce prior drafts of Hebrew and Christian Scriptures thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written from the very first line to the final parallel This provides the reader for the first time with the experience of observing how a Biblical book was written and does this from an intimate perspective as though they were looking over John s shoulders as he crafted it How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written After centuries of blind guess work trying to divine meaning and weak interpretations of symbols this book finally presents a clear precise and consistent method It is a guidebook to identify all the rich symbols and their meanings within Revelation Inside the pages of this book is the all encompassing theory of construction for the book of Revelation It includes three prior drafts of the book of Revelation along with hundreds of charts and illustrations How John Wrote the Book of Revelation is like no other book that has been written before and sets a new paradigm for all Biblical works Revelations Elaine Pagels, 2013-02-26 A profound exploration of the Bible s most controversial book from the bestselling author of Beyond Belief and The Gnostic Gospels The strangest book of the New Testament filled with visions of the Rapture the whore of Babylon and apocalyptic writing of the end of times the Book of Revelation has fascinated readers for more than two thousand years but where did it come from And what are the meanings of its surreal images of dragons monsters angels and cosmic war Elaine Pagels New York Times bestselling author and the preeminent voice of biblical scholarship to the American public The Philadelphia Inquirer elucidates the true history of this controversial book uncovering its origins and the roots of dissent violence and division in the world s religions Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks Pagels has written what may be the masterwork of her unique career The Historical Bible: The work and teachings of the apostles Charles Foster Kent, 1916 **Revelations of Antichrist** ANTICHRIST, 1879 *The Overcomers* Richard Booker, 2011-06-21 The Book of Revelation is not a book of doom and gloom but the victory of the Lamb of God and those who follow Him The Overcomers In this groundbreaking three volume series Dr Richard Booker helps you understand the Book of Revelation by explaining John s vision within its intriguing original historical literary and biblical context This three volume series gives a more balanced understanding of the book of Revelation by emphasizing the background and setting in which John received and wrote his revelation The author explains how this background information actually determined the words that Jesus and John used in what became the book of Revelation Without this background information it is really impossible to understand why Jesus and John said what they said The author connects this background information

and the message in the book of Revelation with a prophetic word to our world today In this regard this is a groundbreaking series on the book of Revelation *The Work & Teachings of the Apostles ...* Charles Foster Kent,1916 **The American Journal of Theology** University of Chicago.
