Can Be Saved articulates a biblical theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States Ten scholars pastors and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture the Baptist Faith and Message and a variety of biblical theological and philosophical writings Although many books address the doctrine of salvation these authors consciously set aside the Calvinist Arminian presuppositions that have framed this discussion in western theology for centuries The contributors are unified in their conviction that any person who hears the gospel can be saved a view that was found among earlier Baptists as well as other Christian groups today This book is not meant to be the final word on Southern Baptist soteriology but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation **The Great Commission Resurgence** Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention s Great Commission Resurgence initiative Calvin on

the Death of Christ Paul A. Hartog, 2023-04-27 John Calvin's understanding of the extent of the atonement achieved in Christ's death is one of the most contested questions in historical theology. In common thought, Calvin's name is closely associated with the limited atonement stance canonized within the TULIP acronym, but Calvin's personal endorsement of a strictly particularist view whereby Christ died for the elect alone is debatable. In *Calvin on the Death of Christ*, Paul Hartog re-examines Calvin's writing on the subject, traces the various resulting historical trajectories, and engages with the full spectrum of more recent scholarship. In so doing, he makes clear that while Calvin undoubtedly believed in unconditional election, he also repeatedly spoke of Christ dying for all or for the world. These phrases must be held central if we are to discover Calvin's own view of the subject. Hartog's conclusions will surprise some and may hold significant implications for the Calvinist tradition today. Throughout, however, they are cogently articulated and sensitively pitched. Does God Love All or Some? Ronnie W. Rogers, 2019-04-19 The term *extensivism* describes my position regarding the doctrine of salvation. Specifically, *extensivism* believes that man was created in the image of God with otherwise choice. God's salvation plan involves an all-inclusive unconditional offer of salvation to every person, reception of which is conditioned upon grace-enabled faith, rather than Calvinism's exclusive plan of a limited actual offer of salvation to only the unconditionally elected. Generally, it replaces the term *non-Calvinism*. These are the five primary objectives of the book: First, my considerations would result in a deeper understanding of God. Second, I will demonstrate that God salvationally loves every single person. Third, I intend to offer a precise and respectful critique of Calvinism's internal and biblical inconsistencies; these are largely due to its commitment to compatibilism and unconditional election. Fourth, I will demonstrate that God's free choice to endow man with libertarian freedom is a more biblical perspective. Fifth, because a significant percentage of people who become Calvinists do not actually understand Calvinism, I seek to present Calvinism and *extensivism* in language that is precisely and consistently reflective of the commitments of each perspective regarding God's sovereignty, salvific love, foreknowledge, and man's freedom, so a person can make an informed choice about Calvinism. **Andrew Fuller** Paul Brewster, 2010-10-01 A biography of English pastor Andrew Fuller, 1754-1815, highlighting his method of relating doctrine to ministry. Book two of the *Studies in Baptist Life Thought* series. **Whosoever Will** R. C. Smelcer, 2025-09-24 In a time when theological systems often take precedence over Scripture, *Whosoever Will* stands as a clear compelling call to return to the simplicity and power of the Gospel. In this thorough biblical refutation of Calvinism, Dr. R. C. Smelcer examines the five points of Calvinistic doctrine, particularly Unconditional Election and Limited Atonement, and contrasts them with the plain teaching of God's Word. With pastoral clarity, theological depth, and unwavering commitment to the King James Bible, Dr. Smelcer exposes the flaws in Calvinism's interpretation of sovereignty, grace, election, and the atonement. Rather than painting God as a selective Savior with a secret list, *Whosoever Will* presents Him as the just and merciful Lord who invites every sinner to come. For whosoever shall call upon the name of the Lord shall be saved. Romans 10:13 is not a hollow phrase; it is the heartbeat of the Gospel. This

book is not a scholarly debate it is a passionate defense of biblical truth for pastors church members soulwinners and students of Scripture It is for those who long to proclaim a Gospel that is sincere universal and full of hope for all Whether you ve wrestled with Calvinistic teaching or simply desire to understand what the Bible really says about salvation this book offers a clear verse by verse answer rooted in love for God and a burden for the lost Whosoever Will is more than a rebuttal it is a revival of confidence in the character of God and the offer of salvation to all It calls the church to preach again with urgency to pray again with faith and to declare again to every soul Jesus died for you God's Last and Only Hope Bill J. Leonard,1990 *Calvinism: A Biblical and Theological Critique* David L. Allen,Steve W. Lemke,2022-08 In Calvinism A Biblical and Theological Critique editors David Allen and Steven Lemke lead a team of top notch scholars in carefully critiquing five point Calvinism Sections are devoted to its core commitments historical issues biblical and theological issues and ministry issues providing a wide ranging assessment of Calvinism s foundations and implications **The Independent**,1889 **The Five Points of Calvinism** David N. Steele,Curtis C. Thomas,1963 Debating Calvinism Dave Hunt,James White,2009-01-21 A centuries old belief system is put to the test as two prominent authors examine and debate the subject of Calvinism from opposing viewpoints James White author of The Potter s Freedom takes the Calvinist position Dave Hunt author of What Love Is This opposes him The exchange is lively and at times intense as these two articulate men wrestle over what the Scriptures tell us about God s sovereignty and man s free will This thought provoking challenging book provides potent responses to the most frequently asked questions about Calvinism Is God free to love anyone He wants Do you have any choice in your own salvation It s time to find out Calvinism has been a topic of intense discussion for centuries In this lively debate two passionate thinkers take opposing sides providing valuable responses to the most frequently asked questions about Calvinism Only you can decide where you stand on questions that determine how you think about your salvation Story Behind the Book The subject of Calvinism has been hotly debated for many years and now two prominent authors and researchers will debate this controversial topic in a book debate This project came about when Mr Hunt wrote What Love is This Calvinism s Misrepresentation of God Mr Hunt was challenged by many on the Calvinist bench and he eventually agreed to do a debate in a book format The books purpose is to get you to think and come to your own conclusions The Independent,1889-07 *Reflections of a Disenchanted Calvinist* Ronnie W. Rogers,2016-03-28 Reflections of a Disenchanted Calvinist The Disquieting Realities of Calvinism engages one of the classical strands of Protestant thought with the classical strength of Protestantismshedding the light of the Scriptures on the questions of the faith Author Ronnie W Rogers leads readers through the intricacies of Calvinist thought touching on such topics as the sovereignty of God predestination unconditional election the origin of evil free will and faith and works The intent of this journey is to provide a critique of Calvinism and to present readers with a clear picture of the ramifications of subscribing to Calvinist doctrines Chapters address particular theological topics by stating both affirmations rooted in the Scriptures and disaffirmations

drawing their support from the Scriptures as well The lines of thought do not shy away from complex theological questions but instead rely upon the riches of theological reflection to assure the critiques of Calvinism are fair both to the doctrines and to the Scriptures If you are a part of the Calvinist tradition and want to explore the nuances of your background or if you locate yourself outside of that tradition but have deep curiosity about the questions the Calvinist tradition raises then *Reflections of a Disenchanted Calvinist The Disquieting Realities of Calvinism* offers a rigorous guide to exploring the depths of the tradition and critique of the tenets of Calvinism **Why I Disagree with All Five Points of Calvinism** Dr Curtis Hutson,2000-08 *Tackling Tulip* Grant Ralston,Edward Ralston,2019-07-24 Tackling TULIP will help Christians understand the errors of Calvinism and why this theological system should be rejected and refuted This book includes a helpful investigation into the key passages that Calvinists use to defend their beliefs Romans 9 Ephesians 1 and John 6 are examined in light of the Calvinistic interpretation and are not seen to teach what Calvinists assert The theological errors that Calvinism presents are also exposed Questions like Do we have free will and Did Christ die for everyone are answered in the affirmative by both church history and biblical revelation Finally the practical problems of Calvinism are explained A belief in Calvinism eliminates the possibility for Christians to have assurance of salvation and tends to diminish the importance of holy living Tackling TULIP will equip the body of Christ to defend against the erroneous theology of Calvinism Humble Calvinism J.A. Medders,2019-03-01 Understanding Calvinism in our hearts as well as in our heads Understanding Calvinism in our hearts as well as in our heads Calvinism has an image problem For far too long it has been synonymous with being argumentative arrogant and unloving Somehow the doctrines of grace often haven t made those who believe them actually gracious Self confessed recovering cranky Calvinist Jeff Medders wonders whether the love of God has been replaced with the love of Calvinism It s one thing having the five points all worked out in your head but have they really penetrated your heart His warm hearted challenging and surprisingly witty book reveals how a true understanding of the five points fuels a love of Christ and his people that builds others up rather than tearing them down Medders urges readers to be humble and gracious as well as zealous for the truth to the praise and glory of Christ and his church **The Five Points of Calvinism** Robert Lewis Dabney,Steve Curtis,2010-09-22 This is a modern revision of the classic work by nineteenth century Presbyterian theologian Robert L Dabney Tulip Duane E. Spencer,2002-01-01 TULIP is a popular acronym for the five points of Calvinism total depravity unconditional election limited atonement irresistible grace and perseverance of the saints In this book these five points are not only concisely explained in the light of the Bible but are also helpfully contrasted to the corresponding five points of Arminianism The differences between Calvinistic and Arminian beliefs are also summarized at the end of the book for quick reference Anyone looking for an accessible explanation of this somewhat difficult and controversial doctrine or looking for help in explaining it to others will find this an invaluable resource TULIP has had steady sales since its original Baker publication in 1979 and there is now nearly 55 000 copies in print
