

The image is a composite. The top half shows a deep blue night sky filled with stars and the Milky Way. A single, exceptionally bright star with a four-pointed diffraction pattern is positioned on the left. A faint, glowing comet-like streak extends from this star towards the upper right. The bottom half of the image shows a silhouette of a nativity scene. In the foreground, a group of figures, including Mary, Joseph, and the infant Jesus in a manger, are visible under a simple wooden stable structure. In the background, three figures on camels are silhouetted against a vibrant sunset sky with orange and red clouds. The overall composition suggests a celestial event guiding the journey to Earth.

Why Christ Came 31 Meditations On The Incarnation:

Why Christ Came Joel R. Beeke, William Boekestein, 2013-09-09 When thinking about Christ's birth we often focus our attention on Luke's detailed gospel account. But to appreciate the main point of the story that the eternal Son of God assumed our flesh and blood human nature we need to learn from the rest of the Bible why Christ came to earth. Why did Christ come? In this book thirty-one thoughtful meditations answer this vital question and the answers encourage us to celebrate Christ's birth more deeply, see more clearly how it is connected with the rest of His ministry and recognize its importance for our lives.
