The Sufficiency and Defects of the English Communion Office (Classic Reprint) A. G. Walpole Sayer, 2018-02-03 Excerpt from The Sufficiency and Defects of the English Communion Office HE object which led to the enterprise of this subject was essentially practical Considerable outcry had been raised against the interpolation into the service by the Celebrant of parts of the Unreformed Office The outcry interpreted this action as throwing doubt or discredit on the Office of our Church And this interpretation is justified by the open avowals of many who are addicted to this practice They allege defect or deficiency in our Office Others indeed without such allegation or conscious admission defend their interpolations as conducing to greater fulness or richness The object of this work in part is to attempt to disprove the charges of insufficiency and to show the redundancy of such interpolations The nature of the interpolations in View has been already defined There is no reference to any private¹ intercessions or devo tions of the Celebrant but to the direct interpolation of portions of other Offices About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books

Prayer for People Who Don't Believe in God Vance Morgan, 2019-10-01 Many progressive Christians struggle with prayer or at least with the kinds of prayer they are often exposed to shouted whispered forceful timid begging and demanding everything from essay lengthy scripted petitions to poetry read from a book to rote recitations that no one pays much attention to to pronouncements to communications in a prayer language They are often gripped by the power of the Christian faith but are simply unable or unwilling to endorse or engage with many of its traditional beliefs including traditional beliefs about God and prayer If we're not trying to connect with the kind of God who takes notes answers yes or no and grants or withholds favours what or whom are we trying to connect with And so often our words seem to travel no further than the ceiling no matter what we believe The situation for people who describe themselves as spiritual but not religious isn't much different They may not pray in the traditional sense or in traditional ways but many long to connect or communicate with something larger than themselves as good a definition of prayer as any whether they name that something the divine big love

or spirit or think of it as a force or energy that connects all things This is not an academic book nor a how to document
 Rather it poses questions that are important to progressive Christians and to the spiritual but not religious Working only with
 the assumption that prayer might have value even for those who are not sure what or who or even if God is this book is about
 opening oneself to the possibility of God **The Complete Book of Christian Prayer** ,1996 This comprehensive collection
