Why Revival Tarries A Classic On Revival:

Why Revival Tarries Leonard Ravenhill,2004-08-01 Leonard Ravenhill s call to revival is as timely now as it was when first published over forty years ago The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today Why Revival Tarries contains the heart of his message A W Tozer called Ravenhill a man sent from God who appeared at a critical moment in history just as the Old Testament prophets did Included are questions for group and individual study **Army of God Rising** Mark Cowart,2023-01-17 Take Back What the Devil Has Stolen It s a critical and pivotal moment in America with ominous signs all around Most Christians firmly agree the nation is on a dangerous trajectory Pastor Mark Cowart puts the blame and the solution for our nation s ills squarely on the Church The lukewarm Church has been the nation s greatest threat causing **The Blindfolded Church** Barry L Nehls,2021-09-30 Some are blind from birth while others like Helen Keller are blinded by illness Still others lose sight through accidents or progressive disease I submit no one would choose to go through life without sight And yet the church today is certainly blindfolded I do not believe the blindness of the church happened suddenly There have been brilliant moves of God in the church since the Lord s ascension However it has been a slow methodical process whereby a blindfold has slipped over the eyes of discernment and the church chooses to remain in the dark Why would anyone choose to remain blind Think of it this way A child born blind cannot describe the experience of seeing a beautiful rose the glow of a sunset the majesty of snowcapped mountains or a crashing waterfall There is no desire for sight having never experienced the sensation For those that see we would never choose to be blind and remain so A blindfold suggests that something has willfully been placed over the eyes to prevent sight The enemy has not only pulled the blindfold over the spiritual eyes of the church but deceived her into thinking she can still see Jesus Christ was sent to heal the brokenhearted preach deliverance to the captives and recover sight to the blind May we the church of the living God remove the blindfold and once again charge forth with the gospel to a lost and dying world *There Is No Crown Without The Cross* Donald R. Holloway,2004-06

Summary of Leonard Ravenhill's Why Revival Tarries Everest Media,2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The offense of prayer is that it does not essentially tie in to mental efficiency It is conditioned by one thing alone spirituality One does not need to be spiritual to preach but preaching cannot be done without spirituality 2 The church today is standing on the sidewalk watching with frustration as the sin dominated evil geniuses of Moscow strut down the middle of the road breathing out threats against anything that is lovely and of good report *God's Opportunity* Athanasios Scott Tonk,2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head

of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another s heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity

God Chasers Daily Journal Tommy Tenney,1999-07 Meet Tommy Tenney God chaser Join him in his search for God Follow him as he ignores the maze of religious tradition and finds himself not chasing God but to his utter amazement caught by the one he had chased

Echoes of Eden Eddie Dutra,2016-06-24 The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use legalism as a means of oppression and control The truth however is that they incur in the same mistakes of them Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to peoples desire not according to Gods interests or the true spiritual need of people The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer therefore it gave them what they wanted The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry When we compare them both groups are alike they all use pragmatism as foundation for ministry thus their teachings are unbiblical their practice unethical and its results devastating to the Christian faith The new painters take advantage of the mistakes of some groups of the evangelicalism with this they find the opportunity to throw out the baby with the dirty bathwater they throw away the true Gospel along with the errors of the church Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love Fundamentalist fanatics while they pose as open minded good boy preachers and love givers with no trace of prejudice By opposing legalism these men went to the other extreme they became libertines Thus their offered antidote became worse than the poison itself The neoliberal theologians came not to bring healing to the churchs problems rather they aggravated it They are opportunists who are creating a neo Christianity under the perspectives of this new postmodern world
