Walter C. Clemens, Jr.

Why We Fight Moral Clarity And The War On Terrorism:

Why We Fight William J. Bennett, 2012-03-28 The events of September 11 2001 were an unforgettable tragedy but they also revealed that the spirit of America is strong and undiminished Not since the shocking attack on Pearl Harbor has the nation pulled together with such unity and purpose resolving to endure whatever hardships may be necessary to win the war on terror We were united in the defense of and belief in our country It truly brought out the best in our national character In clear compelling straightforward language William Bennett takes up and refutes the many myths and misconceptions about America's character and role in world affairs that have become fashionable among our nation's elites The morning of September 12 dawned with a stunning moral clarity that has guided the actions of many Americans both her leaders and her citizens Bennett seeks to preserve that clarity in order to ensure that our national resolve does not falter in this difficult and necessary war
