**Preaching as Worship** Michael J. Quicke, 2011-09-01 Much current literature on church worship rarely mentions preaching and vice versa Worship is often seen as restricted to music and liturgy while preaching is assumed to operate on different principles for different purposes But veteran preacher Michael Quicke argues that preaching should be viewed as worship as both worship and preaching belong within the same Trinitarian dynamic serving the same purpose and marked by similar characteristics Drawing on insights from wide ranging literature and practitioners on both sides of the gap this insightful book confronts and corrects ten characteristics of preaching that are disconnected from worship

Brown, 2020-08-25 It's time to rethink the Christian life in light of current research on the human mind particularly with a deeper understanding of extended cognition Using insights from neuroscience psychology and philosophy Brad Strawn and Warren Brown argue for a vision of the Christian life as extended into interactions with a local network of believers

**Worship That Changes Lives** Alexis D.

Abernethy,2008-12 Compiles cultural theological and psychological perspectives on spiritual experience in worship from scholars and laity paying particular attention to the role of the arts in facilitating spiritual transformation Exploring Christian Mission Beyond Christendom: United Methodist Perspectives Michael G. Cartwright,2010 *Kingdom Come* Jason Byassee,Jeremy Kidwell,Jonathan Wilson-Hartgrove,Leah Wilson-Hartgrove,2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson s influence on the Christian church and the consistency of his prayer and work for God s kingdom to come here on earth as it is in heaven With contributions from Isaac Villegas Reggie Williams Willie Jennings Stanley Hauerwas Greg Jones Tim Dickau Chandra Mallampalli Reinhard Hutter Axel Schoeber John Berkman Phil Kenneson AKM Adam Margaret Adam Craig Smith Jen Harvey Jeff Greenman Loren Wilkinson Marilyn McEntyre Anna Robbins Terry Smith Munyamasoko Gato Corneil Mike Pears James Purves Danny Zacharias Mike Swalm Susan Phillips Ross Lockhart Ross Hastings Matt Humphrey Peter Harris Anthony Brown Phil Rolnick Andrew Shepherd Chris Hall Joy Banks Christopher Johnston Soohwan Park The Priesthood of All Believers and the Missio Dei Henry Joseph Voss,2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord s Supper as the renewal of the royal priesthood *Living Faithfully in a Fragmented World, Second Edition* Jonathan R. Wilson,2010-01-01 The first edition of *Living Faithfully in a Fragmented World* became one of the founding and guiding texts for new monastic communities In this revised edition Jonathan Wilson focuses more directly on lessons for these communities from Alasdair MacIntyre s *After Virtue* In the midst of the unsettling cultural shifts from modernity to postmodernity a new monastic movement is arising that strives to be a faithful witness to the gospel These new monastic communities seek to participate in Christ s life in the world and bear witness by learning to live intentionally as the church in Western culture This movement is about finding the church s center in Christ in the midst of a fragmented world overcoming the failure of the Enlightenment

project and our complicity with it resisting the temptation to Nietzschean power and building communities of disciples This new edition is greatly enlarged from the original volume It includes responses to critics of the new monasticism such as D A Carson an entirely new chapter on the Nietzschean temptation an afterword on properly understanding the new monastic movement the dangers it faces and the work yet to be done as well as an appendix on the supposed post modern agenda of Jonathan Wilson and Brian McLaren For those striving to understand the path the church should take in this fragmented world this book is essential reading

**Practicing Witness** Benjamin T. Conner, 2011-07-06 How might a church infused with missional theology change the way it approaches Christian practices Interacting both with the missional theology of George Hunsberger and Darrell Guder and with the theology of Christian practices laid out by Craig Dykstra and Dorothy Bass Benjamin T Conner argues that allowing these two disciplines to inform one another can enhance the nature of the church s witness its congregational discipleship and its theological education Framing his work with real world narratives and applications inspired by his work as a minister to adolescents with special needs Conner shows how a practical missional mindset can redefine and reinvigorate the spirit and purpose of a congregation

**Borderland Churches** Gary V Nelson, 2009-01-01 Borderland Churches is a call to embrace the pluralistic post Christian and postmodern culture with a sense of opportunity and hope The author uses the image of the church crossing over into an in between time a place where faith is lived outside the walls of the church engaging the community in incarnational ways To live in that precarious but exhilarating place where faith and other faiths and no faith meet Only individuals and congregations that accept this new reality will be able to carry on Christian ministry in this new cultural situation A TCP Leadership Series title

**Preaching with a Plan** Scott M. Gibson, 2012-03 Provides pastors with a step by step process for creating a preaching plan that nurtures growing disciples

**SimChurch** Douglas Estes, 2009-09-22 The meeting place for the church of tomorrow will be a computer screen Don t laugh and don t feel alarmed The real world church isn t going anywhere until Jesus returns But the virtual church is already here and it s poised for explosive growth SimChurch invites you to explore the vision the concerns the challenges and the remarkable possibilities of building Christ s kingdom online What is the virtual church and what different forms might it take Will it be an extension of a real world church or a separate entity How will it encourage families to worship together Is it even possible or healthy to be the church in the virtual world If you re passionate about the church and evangelism and if you feel both excitement and concern over the new virtual world the internet is creating then these are just some of the vital issues you and other postmillennial followers of Jesus must grapple with Rich in both biblical and current insight combining exploration and critique SimChurch opens a long overdue discussion you can t afford to miss

**Plunging into the Kingdom Way** Tim Dickau,2011-01-01 What practices might a community of faith take up that will bear witness to the alternative world Jesus envisions and calls us towards That is the question that Grandview Calvary Baptist Church an initially small and fragile group of Christ followers has kept asking over the last twenty years Along the way this small group has spawned a vibrant community of faith that has traveled along four trajectories towards a shared life in community radical hospitality justice for the least and confession leading to transformation In a culture where individualism consumerism injustice and autonomy shape us all these practices have re shaped not only the people of this church but also the neighborhood they inhabit in the East side of Vancouver British Columbia For anyone wanting to recover ancient but newly shaped practices of the first disciples Plunging into the Kingdom Way offers renewed hope By relating their story in conversation with a host of theologians sociologists and philosophers Tim Dickau sparks the imagination for how you and your friends your community or your church can live out the radical vision of Jesus in your neighborhood today Plunge in and you will discover renewed hope that you can actually follow the way of Jesus today

*Representing Christ* Uche Anizor,Hank Voss,2016-04-21 Traditionally associated with Protestantism the doctrine of the priesthood of all believers is a genuinely Christian doctrine with important implications for the global church In *Representing Christ* Uche Anizor and Hank Voss explore the doctrine in its biblical historical theological and practical dimensions

*The Pentecostal Gender Paradox* Joseph Lee Dutko,2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the

conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality
