Why Men Pull Away Relationships Book 1:

WHY MEN PULL AWAY Matthew Coast, 2018-02-01 Why do men pull away and what can you do about it Here are some situations when men have been known to pull away After getting close to a woman When falling in love When they like you In the early stages of dating When a man becomes distant this can be incredibly frustrating And you may have questions like How long does it last How to get him back What to do when he pulls away Well my name is Matthew Coast and I've been teaching in the dating and relationship space for the last 12 years If you'd like to know why men pull away and what to do about it that's why I created this ebook I'll not only explain why men pull away but also give you a 10 step formula for how to get him running back to you If you don't know how to deal with this the right way you may end up pushing him away forever You'll discover exactly what NOT to do if you're in this situation Most women totally screw this up and do the exact opposite of what they should do Don't be one of those women wishing you would have done something different You'll find out how to connect with him when he comes back so that he feels like he doesn't want to leave again Most guys come back like scared little kitty cats If you treat him the right way he'll purr up against you and beg for more And you'll discover so much more See you on the inside
