Wide And Deep Tales And Recollections From A Master Maine Fishing Guide:

Wide and Deep Randy Spencer, 2014-04-01 A collection of stories from one of Maine's master fishing guides. There is little about the remote town Grand Lake Stream in eastern Maine and its surrounding lakes that Randy Spencer doesn't know like the back of his hand. Spencer, a Master Maine Guide, has learned from the best and has enough experience as a hunting and fishing guide to fill several lifetimes. *Wide and Deep* transports readers to remote backwoods and crystal clear lakes. At its most remote, rural Maine is truly breathtaking in its natural beauty, and Spencer is unrivaled in his ability to capture like no other the experiences of fishing and hunting in some of the most hidden and undisturbed areas in the world. The relationship between a sport and his guide is an ongoing conversation, one that can last hours, days, and even years. The company you offer is just as valued as the company you keep. Whether they are stories of joy or of pain, there is nothing like listening to Randy Spencer, and *Wide and Deep* perfectly captures the moments on the water that people wait their entire lives for and spend the rest of their lives remembering. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Written on Water: Characters and Mysteries from Maine's Back of Beyond Randy Spencer, 2021-11-05 Fishing guide and award-winning author Randy Spencer weaves a spell with quirky, colorful residents, fish, out of water tourists, native traditions, and a large helping of absolute wonder. *Written On Water* is an extraordinary collection of tales about the part of Maine that truly is as those who reside there call it: the back of the beyond. With its assemblage of quirky characters who live far off the beaten path and consider fishing to be a sacred art, the beautiful, watery down-east Grand Lake Stream population 132 has been hallowed ground since the 1800s. *Written On Water* takes us to a place where very old ways of life have persisted, and against all odds, the velocity of modern life has not yet invaded its shores and lakes, pines, and canoes, and most importantly, its citizens. The unlikely survival of such a place in the twenty-first century is remarkable, as is the oral history that has survived with it. Award-winning author and master Maine guide Randy Spencer shares this insightful collection of colorful oral histories teeming with drama, mysteries, and laugh-out-loud moments about eccentric and lovable individuals. In poignant and frequently hilarious prose, Spencer brings us fish stories, tales of the author's experience guiding sports on fishing excursions, as well as stories about the quirky local residents passed down through generations.
