Widows Journal Questions Through Planning:

The Widow's Journal Carrie P. Freeman, Ph.d.,Phd Carrie P. Freeman,2015-11-30 Losing a spouse or romantic life partner causes a special kind of heartbreak loneliness and disappointment Your plans for your life have irrevocably changed Because everyone mourns differently guided journal writing is a useful tool for navigating the phases of grief in a personalized private way The Widow s Journal is written in a frank yet hopeful style by lifelong journaler Carrie P Freeman PhD a communication professor who set out to write the kind of book she could have used when just prior to her thirtieth birthday she lost her own husband to cancer Unlike other bereavement books The Widow s Journal doesn t tell you what to do it isn t a memoir or collection of other people s stories and it isn t limited to any particular spiritual outlook Instead it provides over one hundred guiding questions from the practical to the profound that you can use to progress through the grieving process culminating in a collection of your most useful insights for reflection Freeman s thoughtful questions prompt you to reflect on your feelings but more importantly provide a gentle path toward productively coping with intense grief while making plans to build a meaningful new life This journal works like a guided diary or workbook with beautifully decorated pages on which to write and or color It is designed to be a useful caring gift for those whose husband wife or life partner has died within the last year The author s book website is www.thewidowsjournal.com **Journeys of Grief and Loss**

Dr. Maple Melder Crozier,2022-02-09 Based completely on lived experience this book shares the similar and different journeys that people have taken after the loss of a child a life partner or a parent Every circumstance is unique and has its own pain and joy The history and cultures discussed show the variety of ways that death is dealt with globally helping us to see past western styles of grieving The art forms of music and books and poetry provide support for the sometimes roller coaster journey of grief and loss **Windows Upon Planning History** Karl Friedhelm Fischer,Uwe Altrock,2018-05-15 Windows Upon Planning History delves into a wide range of perspectives on urbanism from Europe Australia and the USA to investigate the effects of changing perceptions and different ways of seeing cities and urban regions Fischer Altrock and a team of 13 distinguished authors examine how and why the ideologies and the processes of city making changed in modern and post modern times Illustrated with over 45 images the themes addressed in the book range from the changing outlook on Berlin s historic apartment districts and their demolition salvation and gentrification to how planning was deployed to support dictatorship from the shattering of myths like democracies totally departing from preceding dictatorships to the model of the post war modern city and its fate towards the end of the twentieth century The volume combines case studies of cities on three continents with reflections on the historiography and the state of planning history With a foreword by Stephen V Ward this book will appeal to a wide readership interested in the histories of planning architecture and cities
