B. Meacham, 2017-12-27 Excerpt from *Wigwam and War Path Or the Royal Chief in Chains* The hon A B Meacham has committed to me the difficult and delicate yet delightful task of revising the manuscript and arranging the table of contents of the present work I have endeavored to review every page as an impartial critic and have as far as possible retained in all its simplicity and beauty the singularly eloquent and fascinating style of the gifted author The changes which I have made have been for the most part quite immaterial no more or greater than would be required in the manuscript of writers commonly called learned In no case have I attempted for the attempt would have been vain to give shape and tone to the writer's thoughts His mind was so full both of the comedy and the tragedy of his thrilling narrative that it has owed on like a mighty torrent bidding defiance to any attempt either to direct or control About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Wigwam and War-Path** A.
