Pritchett and Hull

Your Child's Asthma A Guide For Parents:

Your Child's Asthma John Hunt, 2015-08-01 Asthma is not a diagnosis If you or your doctor thinks your child might have asthma your next question should be What disease is causing my child to have asthma There are many diseases that cause asthma and these diseases require different therapies Learning what is causing your child's asthma wheezing or coughing is the most important step to ensure that your child receives the best treatment Unfortunately that first diagnostic step is skipped all too often Your child's asthma is unique just as your child is unique In this book you will learn the treatments that will work or won't work for the type or types of asthma your child has You will learn about viruses and allergies and everything else that causes wheezing and coughing in babies through young adults Your Child's Asthma provides not only the most relevant and up to date information but also a healthy dose of common sense **Breathing Easy** Maryann

Stevens, 1991 When three of her children were diagnosed with asthma Maryann Stevens decided to become an expert this authoritative sourcebook is the result of her experience and the experience of the hundreds of parents who have successfully taken her course and whose families now live fuller happier lives *The Everything Parent's Guide to Children with Asthma*

Jance C Simmons, 2008-03-01 A Simon Schuster eBook Simon Schuster has a great book for every reader [The Children's](#)

[Hospital of Philadelphia Guide to Asthma](#) Julian Lewis Allen, M.D., Tyra Bryant-Stephens, M.D., Nicholas A. Pawlowski,

M.D., 2008-04-21 While asthma can't be cured it can be treated and controlled so that your child can enjoy a healthier more active life In this important guide the experts at the top ranked children's hospital in the United States clearly explain what asthma is and how parents caregivers and young patients can manage it successfully The Children's Hospital of Philadelphia Guide to Asthma features the most up to date information on the disease and the keys to optimal preventive treatment controlling environmental conditions that trigger symptoms making a proactive medical treatment plan and consistently putting it into action at the first sign of trouble You'll discover how asthma is diagnosed what the common triggers are how to select the best asthma medicines and how to protect your child in and away from your home to help him or her live a fulfilling childhood that is as symptom free as possible This book Reveals how to manage acute and emergency episodes of the disease Explains how to asthma proof your home Addresses sports and exercise issues for children with asthma Discusses the special needs of toddlers and teens Features a series of vignettes about children with asthma Includes educational materials and resources including community support *Childhood Asthma* Timothy Beaty, 2023-07-02 So your doctor has

said your child has asthma Now What You likely have a hundred questions What is asthma How do I get rid of it What do I do with all these medications Does this mean their soccer career is over Asthma can feel overwhelming at times Because both the symptoms and the treatments happen internally it seems like they are completely hidden from your view Even the medications are a mystery the ones that seem to work the best and fastest are actually the ones you do not want your child to be on This book will help teach you What an asthma diagnosis means How the medications work and what to do in an

emergency Tips for speaking with your doctor and getting your most important questions answered How to help your child participate in school and sports despite their asthma And more This book is not medical book I have written it to be a supplemental guide to the education you have gotten from your healthcare provider My goal is to give you the most important facts to ease your worries and care for your child s asthma I was inspired to write this book by the hundreds of families I have helped who have these exact questions and more I have seen how the anxiety of an asthma diagnosis affects families negatively I have also seen these anxieties melt away and a feeling of empowerment grow once these concepts are mastered This book is for all parents seeking a greater understanding of the care of children with asthma in an easy to read format Breathe easy relax and enjoy your purchase

A Parent's Guide to Asthma Nancy Sander,1994 Asthma is the leading cause of missed school days in America Here the president of the National Allergy and Asthma Network shares her expertise on every aspect of this debilitating condition from finding a good doctor to allergy proofing your home to regulating sports and activities for affected children Line drawings
