This practical, easy-to-understand guide shows you how to change the way you think and how to take charge of how you think. Based on the model and principles of CBT, this book teaches you how to overcome and prevent mood problems and explains how to use this powerful new approach to help you with Anxiety, Depression, Anger, Irritability. The Cognitive Behavioral Therapy (CBT) approach to treating mental health problems has been widely researched and adhered to by therapists and patients everywhere. Its basic ideas and practices are based on a combination of cognitive behavioral and psychodynamic principles as well as on careful research into what works best in the treatment of anxiety disorders and many other anxiety-related symptoms. CBT has been shown to be both effective and very safe, with many studies showing that it is more effective than both medication and non-drug treatments. One in ten of us will suffer from a mental health problem in any given year. If you are one of these people, you will know the harsh reality of living with the symptoms of anxiety and depression. You will know that they can ruin your life and your relationships and that the only way to deal with them is to apply the principles of cognitive behavioral therapy to your daily life.
