Your Soul Is Eternal Non Biblical Evidence:

Your Soul Is Eternal Edmund W. F. Rydell, 2014-10-02 We have an eternal soul God has given us convincing evidence The purpose of this book is to show skeptics and seasoned Christians alike that there is abundant additional evidence quite apart from the Bible This is an ongoing thing with God The fate of Christianity was not sealed with events that happened 2000 years ago He is furthering his work in this world by continuing to give us this evidence whether in the form of paranormal phenomena knowledge conveyed directly into the minds of selected people or messages from loved ones in heaven Many examples of these types are given in this book Some include quite convincing substantiation It is hard to see how any but the most hardened skeptic would not be moved by some of these happenings But then a hardened skeptic would most likely not be reading this book This book is definitely not a preaching to the choir type of book The choir whether one or more Christians a whole congregation or even the entire Christian Church never hears this type of preaching None of these matters are ever brought up from the pulpit the lectern or the thousands of pamphlets leaflets and complete books to which we are exposed The fact is that the Christian Church has been slow to recognize God's ongoing work in our world through these means It is my hope that my work and that of others possibly in a more accredited position than myself will serve to wake up the Church to this exciting aspect of God's continuing conveyance of the truth I am not sure just when I made the decision to write books which basically called organized religion to task in failing to recognize the importance of the unexplainable happenings in world literature I had read Raymond Moody's bestseller *Life After Life* many years before and had been captivated by the revelation of near death excursions Eventually the notion took hold that God is giving us these experiences to strengthen our religious commitment and with this realization came the decision to write about it *Your Soul Is Eternal* was purposely written to be independent of the Bible so that it would be clear that God intended this information as an autonomous source

Perspectives on New Testament Textual Criticism Eldon Jay Epp, 2005-06-01 This collection of frequently cited articles and chapters published from 1962 to 2004 provides perspective on the history and development of New Testament textual criticism with descriptions and critique of the major text critical theories and methods Specific manuscripts and text types such as the Codex Bezae and the D text are discussed as well as issues such as anti Judaic tendencies the ascension narratives and the relationship of text and canon Many of the essays from the last fifteen years emphasize the earliest period and papyrus manuscripts particularly those found at Oxyrhynchus and assess their socio cultural and intellectual contexts while articles from the last five years advocate or engage the more controversial aspects of current New Testament textual criticism especially the issue of original text

Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death Gabriel Ansley, 2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly

drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride
