Zechariah- Everyman's Bible Commentary Carl Laney,1984-08-05 Zechariah written to encourage the remnant of Israel struggling to follow the Lord looks ahead to the eventual triumph of God s people and the coming of the Messiah It contains many prophecies about Messiah His life on earth His millennial reign and the salvation He would bring so many in fact that it has been called the Revelation of the Old Testament In this easy to read easy to use commentary J Carl Laney takes you through these prophecies carefully giving you guidelines for interpreting apocalyptic literature and enriching your understanding of the times in which Zechariah lived With this Everyman s Bible Commentary as your guide you can discover rich truths about the Lord Jesus Christ found in the minor prophets Use it in your personal study or as the basis of group or Sunday school study **Zechariah's Hope Paperback** David C Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool *Haggai & Malachi- Everyman's Bible Commentary* Herbert Wolf,1976-10-13 Haggai and Malachi two postexilic minor prophets adressed many practical issues that concern God s people even today attitudes priorities the use of money divorce Christ s second coming and others In Haggai the people listen to God s message and are encouraged but in Malachi they argue with the Lord Yet both books offer important lessons for the church and Christian families Dr Wolf supplies helpful concise and valuable information for the Bible student at any level discussing significant questions and issues and providing section by section commentary on the texts of the two prophecies **Jensen's Survey of the Old Testament** Irving Jensen,1978-06-01 A useful survey of the Old Testament that will aid in understanding difficult passages This one volume contains all of Irving Jensen s Bible self study guides to the Old Testament **First & Second Samuel- Everyman's Bible Commentary** Carl Laney,1982-02-09 The books of Samuel focus on the lives of three men Samuel Saul and David They are first seen as individuals rising in their respective careers As time passes their lives more frequently interact and become intertwined with each other J Carl Laney covers these two books section by section often pausing to clear up a difficult passage that would mean trouble to the reader This volume is complete with many maps that prove to be an invaluable aid to the reader in helping him to plot out where the action of a particular chapter is taking place Dr Laney helps the reader to understand the anguish and agony David experienced as a result of the division of his household and the rebellion of his son

Absalom We can see how Saul met his ultimate downfall as king because of his reliance upon outside sources for guidance instead of implicitly trusting in the Lord One also sees the godly Samuel who nevertheless was unable to keep his own household in order Contemporary lessons are plentiful in these two Bible books and available to those who take the time to study their truths *The Minor Prophets* James E. Smith, 1994 **Old Testament Theology** Paul R. House, 2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many [The Millennial Reign of the Messiah](#) Craig M White, 2024-02-15 THE MILLENNIAL REIGN OF THE MESSIAH may be the most extensive and detailed work ever published on the subject of the 1 000 year reign of Christ the Messiah which will deliver the world from the edge of annihilation Given the comprehensive nature of this work it is unavoidable that there might be details of the Millennium the reader might not be aware of and even shocked about it will not be a period that is a bed of roses and yet it will be immeasurably better than man's world under the influence of Satan and his minions It is now up to the reader to find out more about God's future Kingdom on earth beginning by reading this book and looking up the many Scriptures quoted to support explanations throughout and to continue exploring this essential subject A MUST read for all ages and interest groups Contents Over 320 pages in length 8 25 x 11 inches 5 parts including Early Years of the Kingdom The Messiah and His Glorious Kingdom The Religious System Established The Nations in the World Tomorrow Appendices 13 chapters 18 tables and charts 25 illustrations 16 appendices Footnotes References approximately 200 *Religious Books and Serials in Print 1978-1979* R.R. Bowker Company. Department of Bibliography, 1978-11 **Loving God and Disturbing Men** Donald A. Leggett, 2003 *Loving God and Disturbing Men* is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works Its unique strength lies in the author's ability to show the relevance of the prophets for the contemporary church and its ministry Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides But equally important the author demonstrates that what the prophets said about God evil repentance history social justice and eschatology has the ring of immediacy for us Moreover the study is helpful in treating the lives of the prophets as models of spirituality in prayer suffering and preaching While the book is primarily for those who preach from the prophets it is suitable for a much wider audience A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause It is a pleasure to commend this work Walter C Kaiser Jr Here is a pump primer and launch pad for preachers Dr Leggett's aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen I appreciate this book for I think it will do its job And the job is an

important one J I Packer Donald A Leggett Th D Free University Amsterdam is Professor Emeritus of Old Testament at Tyndale University College and Seminary in Toronto Ontario For 25 years he also served as a pastor and elder at Village Green Baptist Church in London Ontario *Minor Prophets: Hosea through Malachi* Andrew Hill, Richard Patterson, 2016-12-09 These accessible commentaries are for anyone who wants to enter a serious study of God's Word Each volume guides the reader through the literacy and theological issues in the text and provides correlation to multiple numbering systems for word study This volume includes the entire NLT text of Hosea Malachi translation notes and fresh expository commentary **Religious Books and Serials in Print, 1980-1981**, 1980 *Subject Guide to Books in Print*, 1997 **Religious Books and Serials in Print**, 1982 **Zechariah** G.
