into a white church The premise of this little book is that Jesus didn't realize he was the long awaited Savior until the Holy Dove descended on his head and a voice from heaven said You are my beloved son in whom I am well pleased The author examines what Sacred Scripture records about the years prior to his birth and right up to the beginning of his Public Life and using scripture probability and imagination unfolds a story of the early years of Young Jesus *Young Jesus of Nazareth* Marianna Mayer,1999-10-27 During the early years of Christianity tales of Jesus youth flourished from his childhood play and schooling to his early ability to heal the sick Today these wonderful stories are largely unknown With this lush book which begins with the nativity and ends with Jesus earliest teachings Marianna Mayer splendidly revives many of them Illustrated with the works of such masters as Caravaggio and da Vinci here is a stunning portrait of a boy at once ordinary and extraordinary human and divine Holy Terror: Jesus in the Infancy Gospel of Thomas J.R.C. Cousland,2017-11-16 The Infancy Gospel of Thomas or Paidika is one of the most unusual gospels in the Christian tradition Instead of revealing the compassionate Jesus so familiar to us from the biblical Gospels it confronts its readers with a very different Jesus a child who sometimes acts like a holy terror killing and harming others for trifling faults So why is Jesus portrayed as acting in such an unchristian fashion To address this question Cousland focuses on three interconnected representations of Jesus in the Paidika Jesus as holy terror as child and as miracle working saviour Cousland endeavours to show that despite the differing character of these three roles they present a unified picture Jesus unusual behaviour arises from his growing pains as a developing child who is at the same time both human and divine Cousland's volume is the first detailed examination of the Christology of the Infancy Gospel of Thomas and provides a fresh and engaging approach to a topic not often discussed in representations of Jesus *Young Jesus* Stephanie Lewis,2016-10-20 Young Jesus The Untold Christ 1st Edition In 1945 fifty two papyrus texts including gospels and other secret documents were found concealed in an earthenware jar buried in the Egyptian desert These so called Gnostic writings were Coptic translations from the original Greek dating from the time of the New Testament This book offers details of the life of the Virgin Mary her parents her birth and her youth stories not found in the New Testament Gospels but were beloved by many early Christians The collection of ancient manuscripts that could challenge all that you thought you knew about the early Christian church Inside this book are contained the only book that deals with young Jesus Was Jesus a strong willed child who one historian described as Dennis the Menace as God When Jesus was a boy did he kill another child This book reveals that at age five Jesus may have killed a boy by pushing him off a roof and then resurrected him Perhaps too disturbing for inclusion in the Bible this book seems to contain traditions also known to the Koran Young Jesus Stories Doc Knox,2019-06-19 Young Jesus Stories is about a preteen who interprets issues and looks for religious solutions to those problems that are contemporary and are issues of today **The Historical Christ** Bruce W. Behrman,2023-02-16 This book uses the recent findings of cognitive and clinical psychology to draw a picture of the historical Jesus The author uses recent research on conversational memory and clinical psychology in order to

shine a light on the way Jesus was This book argues that Jesus suffered from manic depressive illness He identified with God He suffered from extreme mood changes and felt great compassion towards people All of these are mental states which may be triggered by manic depression Manic depression is not a dementing illness This author is not saying that Jesus suffered from a backward type of psychosis But manic depression when manifested in talented persons acts as a catalyst to trigger artistic creativity Many great artists and poets have suffered from manic depression Byron Schumann Tennyson van Gogh Fitzgerald and Lowell to name a few It is among great poets and artists such as these that the author place the historical Jesus This book therefore argues that the writers of the Gospels when they record Jesus as asserting his divinity were conveying an accurate picture of him His assertions of divinity were not fabrications of the early church *The True Christian Gospel* Orlando A. Robertson,2012-09-07 **How do religious figures induce the establishment of sects?**

Alejandro Cuevas-Sosa,2018-08-01 Remarkable story of a research project on the bioenergence intuition knowledge and a particular way of interaction with the bioenergemal spiritual universe called bioenergemal communication The author talks to a person called Lucela in relaxation as she describes extraordinary interactions with religious figures including God the Father Jesus Mary and others as well as the author himself The author detects that threats and instructions become less and less veiled and the religious figures are revealed as monopolistic and self serving while some of Lucela s bioimages and bioscenes are truly terrifying The conclusions are swaying tradition s foundations and are ground breaking steps in the fascinating field of bioenergemal communication *The American Catalogue* ,1891 **The Sunday School Teacher** ,1885
