According to local history General Robinson a railroad official from Pittsburgh Pennsylvania named this Ohio town Alliance in 1850 Known for a short time as The Crossing Robinson believed that Alliance was a better name since the nation's two major railroads intersected here The name stuck and in 1854 the communities of Williamsport Freedom and Liberty incorporated as the town of Alliance In 1889 the Village of Mount Union was annexed and Alliance became a city Not only did the railroads help form our community they established Alliance as a city of industry Even though the town has remained relatively small with approximately 23 000 citizens in 1990 industry has played a vital role in the development of Alliance Many citizens

attribute the strong leadership of the town's governing body to its industrial growth. This pictorial compilation documents the growth of the railroad and the stores and factories located along these railroad routes. Even today the availability of trains and the intersection of key lines in Alliance is important to manufacturers.
