High Calling Evelyn Husband, 1996-06-28 Rick Husband wanted to be an astronaut since his fourth birthday but it wasn't always for the right reasons Initially he thought it would be neat cool a fun thing to do It wasn't until he came to a spiritual crossroads and was able to give that dream up to discover the true desires of his heart before he actually got into the space shuttle program at NASA Three failed attempts didn't daunt this driven pilot and the fourth interview process though lengthy and difficult proved successful for him Husband's years at NASA served not only to develop his integrity and character but also to increase his faith in a Creator that could not be denied in the vastness of space His story is not only inspirational but exhilarating and invigorating as readers will witness the life of a man who consistently pursued the desires of his heart even as he served a faithful God
