Edward Everett Hale

Your Perfect Life A Novel:

Your Perfect Life Liz Fenton, Lisa Steinke, 2014-06-10 Sometimes you have to walk a mile in someone else's shoes to see what's in her heart. Best friends since childhood, Casey and Rachel couldn't lead more different lives. While workaholic Casey rubs elbows with celebrities daily as the host of Gossip TV and comes home nightly to an empty high-rise apartment stay-at-home mom Rachel juggles an oops baby, two fiery teenagers, and a husband who only physically resembles the man she fell in love with two decades before. After an argument at their twentieth high school reunion, they each throw back a shot to get the night back on track. Instead, they get a life-changing hangover. Waking up in each other's bodies the next morning, they must figure out how to navigate their altered realities. Rachel is forced to face the broadcasting dreams she gave up when she got pregnant in college, and Casey finally steps out of the spotlight to face the real reason why she's alone. They'll soon discover they don't know themselves or their best friend nearly as well as they thought they did. *Your Perfect Life*

Liz Fenton, Lisa Steinke, 2014-06-10 Two childhood best friends wake up the morning after their twentieth high school reunion to discover that they've switched bodies in this hilarious and heartwarming debut by two childhood best friends. With a delicious page-turning premise and sweet and surprising insights, New York Times bestselling author Jen Lancaster's *Your Perfect Life* perfectly illustrates that old adage: Sometimes you have to walk a mile in someone else's shoes to see what's in her heart. Best friends since childhood, Casey and Rachel couldn't lead more different lives. While workaholic Casey rubs elbows with celebrities daily as the host of Gossip TV and comes home nightly to an empty apartment stay-at-home mom Rachel juggles an oops baby, two fiery teenagers, and a husband who barely seems like the man she fell in love with two decades before. After an argument at their twentieth high school reunion, Casey and Rachel throw back shots to get the night back on track. Instead, they get a life-changing hangover. Waking up in each other's bodies the next morning, they must figure out how to navigate their altered realities. Rachel is forced to face the broadcasting dreams she gave up when she got pregnant in college, and Casey finally steps out of the spotlight to face the real reason why she's alone. And they soon discover that they don't know themselves or their best friend nearly as well as they thought they did. Liz Fenton and Lisa Steinke bring their witty, winning style, Sarah Pekkanen author of *The Best of Us*, to every page of this novel that is sure to please fans of *In Her Shoes* and *The Opposite of Me*. *Your Perfect Life* is a story of humor and heart about two best friends who didn't know about each other and how, by switching lives, each learns to appreciate her own. **The Status of All Things** Liz

Fenton, Lisa Steinke, 2015-06-02 Kate is a 35-year-old social media obsessed woman who, after being jilted at her rehearsal dinner, discovers she can change her life by what she writes in her Facebook status. Heartbroken and confused over why she was left, she wishes to go back in time to before her fiancé Max broke things off so she can try to save their relationship. Because it turns out the reason Max ended their engagement has a lot to do with Kate's close friend and co-worker Courtney. Kate, with all of the power at her fingertips, continuously writes status updates to try to keep them apart, but for reasons she

doesn't understand she ends up pushing them together over and over again. And she starts to wonder if it's even possible to literally re-write fate. Meanwhile the only two people who know she's time traveled are her two best friends since college: Jules, a frazzled married mom of two and pastry chef, and Drew, a comfortably single computer programmer. In order to convince them she's really gone back in time, she offers to use her wishes to help them with their own lives. But do her attempts at improving them help? Jules's marriage begins to unravel and Drew's relationship with a celebrity changes him. As Kate watches all of their lives play out on and off the internet, she begins to question everything: her obsession with perfection with posting photos with just the right amount of filter, with crafting a status update that will generate the most likes. She realizes that her obsession with social media, of posting the status of all things online and all the pitfalls that come with putting your entire life on the internet, might have been what got her left at the altar in the first place.

Create Your Ideal Life Mary Zahm, 2010-07-08 Some pursue happiness. Others create it. Anonymous. The chief purpose of *Create Your Ideal Life* is to empower you to proactively, intentionally, and consciously and continually create your ideal life in a joyful and balanced fashion by following the holistic, emphasizing the importance of the whole and the interdependence of its parts. The Life Creation Process described in it. Following the Life Creation Process will help you to gain the level of self-understanding required to optimize the quality of your life and achieve personal growth. As you read this book, you will be introduced to the key concepts of applied psychology of personal adjustment and growth. The term "applied" indicates that the material provided is practical and that you can readily use the concepts provided to create and control your self and your life. The words "psychology of personal adjustment" indicate that one focus of the book is upon the individual's response to the physical, psychological, and social demands of the self, other people, and the environment. Napoli Kilbridge, 1995. You will also be guided to identify the Transitional Life goals that you will need to achieve in order to segue from living your Present Life to living your Ideal Future Life. The Ideal Future Life that you design at this present time is definitely not all there is or will ever be possible in your life. As you grow and change, you will update your vision of your ideal life. Learning the tools and techniques used in the Life Creation Process. Exercises will empower you to continually recreate your Ideal Future Life through planned sequels in order to keep your life well-balanced and overflowing with happiness and spiritual joy. The resources used for this book reflect my multidisciplinary approach to the Life Creation Process, as well as my positive psychological orientation. I have included concepts from the traditional scholarly, social psychological literature, the popular self-help and self-improvement literature, and the media (plays, movies, TV, newspapers, and magazines). The material includes both multidisciplinary academic resources and popular self-improvement resources that I have used and found to be beneficial during my own explorations in personal adjustment, growth, and Ideal Future Life creation. Most of the new material in this revised version of *Create Your Ideal Life* is from information that I have incorporated into my lectures, in-class exercises, and course assignments over the past 15 years.
