An Entrepreneur's Guide to Freedom Mark Rampolla, 2025-10-07 Break free from the pressure to succeed on other people's terms Claim the freedom to live and lead your way with this bold actionable playbook from the founder of ZICO and GroundForce Capital Entrepreneurs start businesses to be their own bosses but if the job you made for yourself feels more like a grind than a labor of love it's time to abandon someone else's vision of success so you can achieve professional and personal freedom Mark Rampolla thought he knew what he wanted when he started ZICO Coconut Water success and then freedom But even after selling the company to Coca Cola for over 200 million he still felt bound by unconscious conditioning limiting beliefs outdated dreams and the relentless hustle culture of entrepreneurship Through deep personal work and by guiding hundreds of other entrepreneurs and leaders Mark discovered a new path to access and sustain true freedom even while running multiple businesses He developed a system of seven actionable steps to build his dreams redefine success for himself and be present in every day of his journey It led to more freedom than he ever imagined possible and surprisingly even greater success And now he wants that for you Not someday Now What if freedom isn't something you earn at the end but something you can begin with and carry with you every step of the way It's time to live your best life one that's richer freer and more fulfilling than anything you've dared to imagine It's time for An Entrepreneur's Guide to Freedom *The Freedom Manual*, 2000
