When to Stop the Cheering? Brian Carroll, 2006-11-29 Finalist for the 2007 Seymour Medal of the Society for American Baseball Research SABR Winner of the 2007 Robert Peterson Book Award of the Negro Leagues Committee of the Society for American Baseball *When to Stop the Cheering* documents the close and often conflicted relationship between the black press and black baseball beginning with the first Negro professional league of substance the Negro National League which started in 1920 and finishing with the dissolution of the Negro American League in 1957 *When to Stop the Cheering* examines the multidimensional relationship the black newspapers had with baseball including their treatment of and relationships with baseball officials team owners players and fans Over time these relationships changed resulting in shifts in coverage that could be described as moving from brotherhood to paternalism then from paternalism to nostalgic tribute and even regret

Class at Bat, Gender on Deck and Race in the Hole Ron Briley, 2017-01-06 Nineteen essays by Briley focus on major league baseball as it reflected the changing American culture from about 1945 to about 1980 He examines the era through the lens of race gender and class categories which have increasingly become essential analytical tools for scholars The accounts of Roman Mejias and Cesar Cedenio offer some disturbing insights regarding the acceptance of Latinos in baseball and American society In one essay

Briley refers to baseball as the heart of the nation's democratic spirit noting that the son of a rural farmer could play alongside a governor's son and both would receive only the praise that their playing merited. However, in writing about the Milwaukee Braves move to Atlanta, the lamentations of fans that baseball had succumbed to the age of affluence are compared to the changing patterns of demographics and economic power in American society. Even with the increased participation of women on the field with teams like the Silver Bullets, the final essay comments on organized baseball's perception of them as primarily spectators.
