Youth Of The Apocalypse And The Last True Rebellion

Victor M. Corman

Youth Of The Apocalypse And The Last True Rebellion:

Youth of the Apocalypse John Marler, Andrew Wermuth, 1995 A manifesto for the despairing children of the eleventh hour this book deals with the issues that are tearing apart the fabric of innocence suicide insanity drugs violence the occult the apocalypse and finally our salvation suffering and resurrection out of the depths of the modern wasteland It offers a painfully honest appraisal of society from the perspective of the young who are hurt and in despair and shows how many of their punk values become much more meaningful when viewed in the context of authentic Eastern Orthodox Christianity particularly within monasticism

Youth of the Apocalypse Justin Marler, 2024-07-29 "*Death to the World*" and *Apocalyptic Theological Aesthetics* Robert Cady Saler, 2024-05-02 Robert Saler examines the small but influential Death to the World movement in US Eastern Orthodox Christianity Presenting a case study in theological aesthetics Saler demonstrates how a relatively small consumer phenomenon within US Eastern Orthodoxy sits at the centre of a variety of larger questions including The relationship between formal ecclesial and para church structures The role of the Internet in modern religiosity Consumer structures and patterns as constitutive of piety How theology can help us understand art and vice versa Understanding Death to the World as an instance of lived religion tied to questions of identity politics of religious purity relationships to capitalism and concerns over conspiracy theory helps us to see how studies of uniquely American Eastern Orthodox identity must address these broader cultural strands
