Douglas E. Cowan, 2018-06-12 Illuminating the religious and existential themes in Stephen King s horror stories Who are we Why are we here Where do we go when we die For answers to these questions people often look to religion But religion is not the only place seekers turn Myths legends and other stories have given us alternative ways to address the fundamental quandaries of existence Horror stories in particular with their focus on questions of violence and mortality speak urgently to the primal fears embedded in such existential mysteries With more than fifty novels to his name and hundreds of millions of copies sold few writers have spent more time contemplating those fears than Stephen King Yet despite being one of the most widely read authors of all time King is woefully understudied America s Dark Theologian is the first in depth investigation into how King treats religion in his horror fiction Considering works such as Carrie The Dead Zone Misery The Shining and many more Douglas Cowan explores the religious imagery themes characters and most importantly questions that haunt Stephen King s horror stories Religion and its trappings are found throughout King s fiction but what Cowan reveals is a writer skeptical of the certainty of religious belief Describing himself as a fallen away Methodist King is less concerned with providing answers to our questions than constantly challenging both those who claim to have answers and the answers they proclaim Whether he is pondering the existence of other worlds exploring the origins of religious belief and how it is passed on probing the nature of the religious experience or contemplating the existence of God King invites us to question everything we think we know **Deadly Wish** Sarah L. Thomson, 2017-09-26 This sequel to Deadly Flowers is a fast paced and compelling read with a multitude of astonishing plot twists Kata is one of the best employees of a master thief until he sells her to Madame Chiyome the woman who trained Kata as a ninja It turns out that Madame Chiyome has been hired by Kata s enemy Saiko to capture Kata and the magical pearl she possesses But while escaping her enemies Kata puts her

trusted group of friends in danger Should Kata stay loyal to her mission as a true ninja would or to her friends Can Kata trust the fellow thief who says he is in love with her and wants to help her The themes of trust versus independence underlie each of Kata's decisions as she tries to get the pearl out of Japan to weaken the demon within it As Kata faces one obstacle after another including a wide range of supernatural creatures she is tempted to make a wish to save herself even though could it be the last wish the one that frees the demon and lets him take her soul Will her sense of duty and honor prevail against all odds
