Religious Television and Pious Authority in Pakistan Taha Kazi, 2021-04-06 In Pakistan religious talk shows emerged as a popular television genre following the 2002 media liberalization reforms. Since then these shows have become important platforms where ideas about Islam and religious authority in Pakistan are developed and argued. In *Religious Television and Pious Authority in Pakistan* Taha Kazi reveals how these talk shows mediate changes in power, belief and practice. She also identifies the sacrifices and compromises that religious scholars feel compelled to make in order to ensure their presence on television. These scholars, of varying doctrinal and educational backgrounds including madrasa educated scholars and self-taught celebrity preachers, are given screen time to debate and issue religious edicts on the authenticity and contemporary application of Islamic concepts and practices. In response, viewers are sometimes allowed to call in live with questions. Kazi maintains that these featured debates inspire viewers to reevaluate the status of scholarly edicts, thereby fragmenting religious authority. By exploring how programming decisions inadvertently affect viewer engagements with Islam, *Religious Television and Pious Authority in Pakistan* looks beyond the revivalist impact of religious media and highlights the prominence of religious talk shows in disrupting expectations about faith. *Da'wa* Matthew J. Kuiper, 2021-03-31 In this engaging study, Matthew J. Kuiper tells the fascinating story of how Islam became a world religion and cultural phenomenon of immense scale, astonishing diversity and global impact. His starting point is the dramatic upsurge in da'wa, inviting to Islam or Islamic missionary activism. **Farewell to Islam** Saïd Rabiipour, 2009 *FAITH TRIALS AND VICTORIES* A true story of a man and his rescue from Iran. It's a story of an ordinary person who faced many challenges in life yet only One Jesus Christ was in control all along. You will meet Him in a unique way and see how He influenced my life and be inspired and encouraged that He can and will do the same for you. Faith. Although I was born to have a Father-child relationship with the almighty God, the truth of that had not been revealed to me until God removed the veil and opened my eyes to this truth and conversion took place in my heart. *Trials* Thirty years later when visiting my homeland for the second time I was faced with an unpleasant surprise when the government of Iran did not permit me to leave the country. *Victories* After two months of going between government offices and courtrooms I realized that I might be there for a very long time. Then I chose a daring path and escaped from Iran with the aid of some men as my angels. These men, using horses, secretly brought me out of Iran in a dangerous adventure over the mountains into Turkey. God used these men to rescue me from the hands of my adversaries to safety. **The Comprehensive Guide For Da'wah In Mosques (Masjids)**, La controverse islamo-chrétienne en Afrique du Sud Samadia Sadouni, 2011 La communauté indienne d'Afrique du Sud présente depuis le XIXe siècle est divisée par religions, notamment l'hindouisme et l'islam.
