VISIONS AND PROPHECIES

David Baron

Zechariah A Commentary On His Visions And Prophecies

John Roberts Dummelow

Zechariah A Commentary On His Visions And Prophecies:

Zechariah David Baron,2001-05-01 This classic work on the Book of Zechariah explains the great Messianic prophecies and the prophetic events that center around the land and people of Israel [The Visions and Prophecies of Zechariah](#) David Baron,2018-08-19 David Baron s exceptional study of the Book of Zechariah analyzes every meaningful passage in the text provisioning the reader with a comprehensive education on the Prophet of Hope and Glory Zechariah is categorized as one of the twelve minor prophets of the Old Testament and David Baron demonstrates his significance Experiencing eight distinct visions each of which is analyzed in the text Zechariah s role in ancient Jewish society were important Split into two parts this book is designed for reference the first part examines the prophetic words while the second distinguishes and discusses the different prophesies The author s mission is to clarify the sometimes difficult messages of the Old Testament and it is a task he takes to with gusto David Baron combines a scholar s competence with lore with an author s ability to engage a reader and enliven what might otherwise be impenetrable The reader will emerge from his analysis of Zechariah s life and words with an excellent understanding *The visions & prophecies of Zechariah: an exposition* David Baron,1918 [The Visions and Prophecies of Zechariah ...](#) David Baron,1919 [The Visions and Prophecies of Zechariah: "The Prophet of Hope and of Glory"](#) David Baron,2002-03-14 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *A Testimony of Jesus Christ - Volume 2* Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides *A Commentary on the Holy Bible* John Roberts Dummelow,1909 *Commentary on Zechariah* David Baron,1918 **Unsealing the End of Days** Douglas W. Krieger,2017-07-24 It is time for a contemporary commentary on the book of Zechariah one of the most Messianic books of the Bible and one which is way overdue given the extremity of the hour in which we live Dr John Walvoord once said that Zechariah s Eight Visions Prophecy and I would add Messianic Scenario is the most stereoscopic eschatology presented in Holy Writ Zechariah s impactful evening of the Eight Visions and singular Prophecy in the Crowning of Israel s High Priest Joshua as KING thus the Kingship and the Priesthood is domiciled

in one person a Person who reflects upon the prophetic image of the Son of Man in His High Priestly work but Who Reigns supreme within the context of My Servant the Branch and the Man Whose Name is BRANCH King of kings Even so the First and Second Comings of Messiah are integrated into the Visions and Prophecy of Zechariah The themes throughout these Eight Visions encompass the full extant of prophetic visions seen in the Bible their placement during the reign of Darius II Artaxerxes the Great whose Queen Esther Hadassah makes the time frame between 521 485 BC Given the Decree announced by King Cyrus in 537 BC and the commencement of the Temple s foundation in 536 BC we find the Second Temple s completion some 21 years later 536 515 BC in the sixth year of the reign of Darius II no doubt the initial 7 years construction and then the 8 year hiatus when the work ceased under Cambyses Artaxerxes and then the final 6 years under Darius was most arduous yet inspiring for it was Not by might nor by power but by My Spirit saith the Lord Zech 4 6 The UNIVERSAL LAMPSTAND displays the most inspiring of all the visions received on that incredible eve It is ultimately reflected in Revelation chapter 1 when the Son of Man stands in the midst of the Seven Golden Lampstands as the PROPHET for on either side of the Stem and Bowl atop thereof are the Two Sons of Oil Joshua representing the Priesthood and Zerubbabel representing the Kingship Governor within their midst is the PROPHET the Son of Man It was not until the 20th Year in the reign of King Artaxerxes Longimanus in 445 BC that Nehemiah s WALL was finished The Decrees in the 7th Year to embellish the Second Temple given to Ezra in 458 BC and the final Decree given to Nehemiah to finish the Wall in 445 BC completed the Persian Decrees regarding the Second Temple and the Wall of the City We affirm that the Decree of Cyrus the Great in 537 BC terminated the 70 years captivity of Judah 608 607 BC unto 538 537 BC and introduced the 70 Weeks of Daniel s prophecy comprised of two GAPS wherein the first 49 years 7 weeks of the prophecy extended from 537 BC to 488 BC with nigh a GAP of some 87 to 88 years unto 401 BC and then the commencement of the next 62 Weeks unto Messiah the Prince on that Triumphal Entry into Jerusalem on 10 Nisan 33 AD some 434 years later we now await the final 70th Week of Daniel wherein its calculation MAY find its commencement in the year 2018 33 AD 2018 AD or another GAP of some 1 985 years with the final 70th Week bringing us to the year 2025 AD Extensive chronologies from the Bible are presented indicating Adam s Creation date to be that of 3975 BC with Man s Days totaling 6 000 years ending in 2025 AD and the coming of the Son of Man the Son of David The scattering and fasting of Judah in chapters 7 8 of the text are greeted in Zechariah 9 with the Oracle of Damascus which is taking place today From there we are led to Zech 9 9 10 the most Messianic descriptions given of Messiah riding on a donkey and His Triumphal Entry into Jerusalem and thence the commencement of the Messianic Scenario until the Millennial Rule and Reign of the Son of David The text is exhaustive not an easy read nigh 70 pp of Subject Index and some 2 000 Scripture References this Magnum Opus took some 33 years in the making God bless you read on
