Anthology of Zen William A. Briggs, 1961 Thirty five essays on the beliefs attitudes and historical development of Zen seen through the eyes of philosophers historians and religious leaders of the East and West Chan and Zen Teaching: The Altar Sutra of the Sixth Patriarch. YungChia's Song of enlightenment. The Sutra of complete enlightenment, 1960 The Three Pillars of Zen Philip Kapleau, 1967 Through explorations of the three pillars of Zen teaching practice and enlightenment Roshi Philip Kapleau presents a comprehensive overview of the history and discipline of Zen Buddhism An established classic this 35th anniversary edition features new illustrations and photographs as well as a new afterword by Sensei Bodhin Kjolhede who has succeeded Philip Kapleau as spiritual director of the Rochester Zen Center one of the oldest and most influential Zen centers in the United States Ch'an and Zen Teaching K'uan Yü Lu, 1960 Zen-existentialism Lit-sen Chang, 1969 As most thinking people realize modern culture is sick and soulless Modern man has found that material achievements are tailing him and becoming a threat of a stupendous catastrophe In order to escape the demon of despair however modern man has become an easy prey for the deceptive cult of Zen Existentialism There has emerged a mode of radical New Humanism with its emphasis on human autonomy In place of the God man appears the man god There is a search for the world within the limitless inner space the expansion of consciousness or the transcendental experience of Satori By resorting to drugs LSD the false prophet actually makes the opiate the religion of the people so as to secure hallucinogenic experience and magic power This is indeed the mystery of iniquity and the decadence of religion which is an

ominous sign of the decline of a nation as Edward Gibbon has warned mankind in his noted book *Decline and fall of the Roman Empire* Today as modern man is plunging deeper and deeper into pagan darkness the modern world is confronted with the menace of a New Dark Age The whole culture speaks of the death of hope Modern man seeks in vain to transcend himself by a mystical leap of faith rooted in vain deceit Drug induced mysticism and the spread of the Hippie movement are the most eloquent proofs that modern man has come to a cul de sac and become the prey of disastrous nihilism This book reflects fifty years of the bitter experiences of the author's spiritual pilgrimage and shows how he was miraculously delivered by the grace and power of God from his cul de sac As a result of fifty years trial with fire the author speaks with vehemence of the utter futility of the phantasy of the east analyses the root causes of the crises in the West and points out the doom of auto soterism after his careful diagnosis of the human problem in cultural philosophical religious and theological terms The combination of his rich experiences in law and politics education and religion both in the East and the West gives his words the power of an authoritative witness Therefore this book deserves to be read and pondered by modern man who is trying to seek the moon in the water which is an illusion not a reality Publisher **The Three Pillars of Zen** Philip Kaplean, 1980
