Waiting For The Doctor Trusting God In Our Waiting Times:

The Waiting Room Darlene Martens, 2024-11-16 When a diagnosis of prostate cancer sends Jake and Darlene into turmoil their new normal includes sitting in a lot of waiting rooms They constantly find themselves having to wait for tests test results and doctor s reports They also create waiting rooms in their own minds where they struggle with fear anxiety and worry Since an appointment isn t necessary to see the Great Physician they go to Him often and sit with Him in His waiting rooms of grace hope trust praise and prayer And when they ask Him to heal Jake the Lord responds Wait Over time Jake s body grows weaker but his faith in Jesus remains strong as he recalls a faithful loving and trustworthy God How will this story end Will Jake experience healing while in this waiting room called life Or will his healing come when the Lord calls him home

Divine Timing Bill Vincent, 2024-03-12 In *Divine Timing Understanding God s Perfect Plan for Your Life* readers are invited to explore the profound concept of God s timing and its impact on our daily lives This insightful book delves into the often overlooked truth that God s timing though mysterious is always perfect Through a series of engaging narratives and biblical references the author illuminates the significance of aligning ourselves with God s timeline rather than our own Drawing from everyday examples such as the patience required in cooking a meal to perfection the book makes the abstract concept of divine timing tangible and relatable It challenges the reader to consider how impatience and a desire for immediate gratification can lead us astray using the analogy of a bus stop to illustrate how rushing ahead or lagging behind can disrupt God s plan for us *Divine Timing* also tackles the difficulties of waiting and the struggle to trust in God s plan especially when His schedule doesn t align with our expectations It provides a fresh perspective on waiting periods as not just idle time but as opportunities for growth and preparation for what s to come The book culminates in a powerful reflection on the biblical story of Jesus and Jerusalem serving as a stark reminder of the consequences of missing our appointed time with God It emphasizes the importance of being receptive and responsive to God s guidance avoiding the pitfalls of haste and impatience Perfect for anyone seeking spiritual growth or struggling with the concept of divine timing this book offers a comforting assurance that while we may not always understand God s ways we can trust that He is working for our good It s a call to embrace the journey of faith with all its twists and turns trusting that in the end we will arrive exactly where we re meant to be exactly when we re meant to be there

The Waiting Room Myleah Mitchell, 2024-04-16 *The Waiting Room Trusting God s Process* is for anyone who is believing in God for a breakthrough whether it be mentally physically emotionally or all three Your life may appear as though God is not moving on your behalf or does not care about your situation big or small Take heart because He does You re just in God s process of becoming who He created you to be Perhaps you received a word or sermon that resonated with you but you would much rather have the breakthrough than a word alone Although a word from God is helpful it does not satisfy your desire for a breakthrough Trust me I have been there I too found myself receiving words from God but would much rather have the breakthrough instead Despite what was

revealed I still tried to figure things out I knew God had not forgotten me because He responded to my prayers I eventually felt like I was placed in a waiting room to be seen by the Great Physician the One who can heal and restore anything the One who can manifest a breakthrough at any moment The Waiting Room Trusting God's Process is a compilation of revelations I have received during my experience in the waiting room **What About Me?** Joyce Meyer, 2024-09-10 Experience the true satisfaction and power of living unselfishly with 1 New York Times bestselling author and renowned Bible teacher Joyce Meyer As we go about our daily lives there is a little voice in our minds that's always asking What about me Maybe your voice says When is it my turn to be noticed at work or When will someone in this family do something for me That voice may be whispering to you about your finances your job or your friends but it is always encouraging you to think about something you don't have And sadly social media and culture in general lead us to focus on this world's concept of happiness and success but does it work Could you be sabotaging your own joy your purpose your success What could you do to get out of your own way And most importantly what is God's definition of success The Bible tells us over and over that the true source of meaning and happiness is a life focused on God and on serving others Instead of asking when it will be our turn to get a raise be recognized or finally make it big it's time to discover the source of true and lasting of happiness and satisfaction By walking in this path we will have more joy and a closer relationship with God than we could ever imagine A study guide as well as a Spanish edition *Y que hay de mi* are also available for purchase **Chosen** Rebecca Merzius, 2018-07-30 God has given you a specific assignment and has attached your name to a great expected end He has chosen you to do great works for and through Him The book will help you understand what it takes to walk in this journey with God It was written to help you to discover your self through the eyes of God You have been sanctified called and most importantly chosen Let your journey to discovery start today **On Faith, Works, Eternity and the Creatures We Are** André Barbera, 2020-01-23 In this volume Andr Barbera considers the question of faith how an individual may act faithfully and what good if any is faithful action Drawing on the letters of the Apostle Paul and the work of philosophical thinkers such as Søren Kierkegaard Barbera explores numerous aspects of faithful living from religion original sin and tests of faith to the power of prayer and even the concept of atheism In particular Barbera formulates a postulate drawn from Augustine's Confessions God is not bound by time The person of faith however is enslaved by time Augustine's expression faith seeking understanding stakes the claim but the mode of faith and the end of faith are inherently contradictory The faithful person waits in pursuit choking Works the anxiety of faith ensue Barbera concludes that the person of faith engages in endless trial struggle and contradiction but in so doing attempts to produce a meaningful life *Mountain Top Life Daily Devotional* Dr. D. K. Olukoya, 2017-02-08 Life changing encounter with the God that answers by fire through a daily devotional Its enriching and edifying Why Does an Orderly God Allow Disorder Patience Johnson, 2012-09 I wrote this book in my darkest time and realized that I must use my experiences to teach people many ways to enjoy both sides of life I believe that there is no such thing as a good time or bad

time in life Rather I see opportunities for creative invention regeneration growth circumcision of heart and thinking about the past and the future I wrote this book to answer some of the world s most commonly asked questions which always cross my mind I propose many sources of the problems we have in the world as well as solutions for how to handle them Do the politicians really have the solution to our economic problems Can the world ever experience peace and harmony Has religion done us more harm than good Is there really a God If there is one where can we find him her I think that after reading this book most of your questions will be answered Human beings forget that there are two sides to everything the good and the bad the sun and the moon night and day light and darkness Unfortunately we choose to see only the good sides of existence as being beneficial and refuse to embrace and see the opportunities that can come from the hard times We may be so busy seeing the faults of other people and not our own could that be one of the reasons we seem to misunderstand each other I hope to impart my wisdom to you Do not worry about death but consider how to be prepared when it comes Additionally you must acknowledge God and his sovereignty and not only by attending church or Mosque This book also teaches about parenting attitudes character and many other things about life Trusting God's Plan Brittany Ann,2017-03-21 Tough seasons We all go through them at some point and they can really wear us down and make us feel defeated But the good news is no matter what you re struggling with right now God still has a plan for you He has not forgotten you and you are not alone Practical encouraging and full of Biblical truth Trusting God s Plan Walking Confidently with God Through Life s Tough Seasons will show you how to better understand recognize and live out God s plan for your life with answers to important questions like Does God really care what I m going through right now If He does care why doesn t He do something Can God really use me in spite of my past Can I really trust God with my future What does Trusting God s Plan actually look like practically speaking Everyone goes through tough seasons the only question is how Don t waste yours feeling worried fearful or angry at God Learn to walk confidently Trusting God s Plan every step of the way This book will show you how **An Important Case argued: in three dialogues, between Dr. Opium, Gallio, and Discipulus; designed to expose erroneous teachers, alarm secure sinners, and assist the disciples of Christ ...
