Walking with God W. Phillip Keller, Best selling author Phillip Keller explores the practical implications of living in daily communion with God He reminds the reader that every believer can live in the daily joy of God s presence Wholeness, or holiness and health through faith in the Lord Jesus Christ Edmund Gardiner Fishbourne, 1882 American Book Publishing Record ,2006 **Rooted and Grounded in Love** Timothy Reinhold Eberhart, 2017-06-05 God s invitation to join in the love feast of Holy Communion resounds at the very heart of the Christian faith and life But how are Christians faithfully to gather together in relational bonds of love in particular through our daily bread and common cup amidst a global market economy sustained by social and ecological violence Drawing on the holiness communitarian and agrarian ecological traditions **Rooted and Grounded in Love** provides a systematic theological affirmation of holiness as divine wholeness in examining our present industrial agro economy while also promoting a practical vision for how Christians might participate in the emergence of a more ecologically sustaining economically charitable and politically just food system **Wholeness and Holiness** Richo, David ,2020-04-15 Wholeness and Holiness guides us through a three step journey to psychological soundness spiritual wholeness and saintly holiness To attain this goal a person must work at all three Social Holiness Alan Kreider, 2008-03-01 Rarely does one find a book on the topic of holiness with such depth as well as breadth Kreider takes us on a journey deep into biblical territory and back again into the lives of nations churches families and individuals In this journey the reader is convicted and drawn by the beauty of holiness We Pentecostals need this word Cheryl Bridges Johns Church of God Theological Seminary Kreider s Social Holiness surprises While holiness indeed owns the otherness of God and the call to be God s separated people it does much more Holiness unleashes in history a living force a dynamism that envisions the sanctification of God s entire creation Holiness is positive the heartbeat of Missio Dei I highly recommend this book for its life changing potential both personally and for the church as God s new nation Willard M Swartley Associated Mennonite Biblical Seminary Alan Kreider writes a masterful narrative about social holiness from which Pentecostals can learn much as they reaffirm and recover this important dimension of their heritage Its familiar terrain serves not only as a timely reminder of a way of life Pentecostals still cherish but also as a challenge to reconsider crucial features of that way of life long forgotten Dale M Coulter Regent University Alan Kreider has gifted us with an inspiring hopeful and transformative invitation to follow Jesus on the journey toward personal and social holiness His prophetic call to participate in Jesus transnational renewal movement challenges families congregations students and all Christians with practical ideas emerging from the biblical story of God s kingship and our citizenship in the holy nation I appreciate his emphasis on moral zeal experience liberating action storytelling praise and the risk of repentance and trust and think this book can be a great resource for helping the church with our public witness to Christ s shalom in a broken world Paul Alexander Azusa Pacific University Kreider s Social Holiness breaks new ground and makes new connections both in his overview of biblical history

and in his application of social holiness to the contemporary church I hope this book will help many believers today Wesleyans Anabaptists and those from other traditions become more fully and authentically a part of God's holy nation in the world today Howard A Snyder Asbury Theological Seminary Ours is the age of bombast exaggeration hyper activism and self importance all of which leaves us feeling empty We have lost the capacity for reverence awe and experience of the transcendent Alan Kreider has the audacity to call us back to the transforming presence of God so that we become God like This book's message can help set us free from the bondage of our self centeredness and liberate us to participate in the mission of God Wilbert R Shenk Fuller Theological Seminary Lively gutsy Holiness is about practical social matters such as economic relationships making peace working for justice Kreider takes us through the Bible to show how deeply these themes are embedded in the text and how persistent has been the failure of the community of faith to be true to them A must for serious minded Christians today Rt Rev John Gladwin Bishop of Chelmsford in Third Way **With Christ in the school of prayer** Andrew Murray, 1886 **Triumphant Love** J Hans Kommers, 2020-11-17 The book is a treasure trove for scholars in the field of science of religion who focus on comparative religion spirituality and the reception of Christianity in India and Ireland The strength of the book is its comprehensive scope critical and narratological methodology and the depth of the data analysis The exposition of the contextual creative and strategic missionary work of Amy Beatrice Carmichael in south India is innovative and highly informative The book contains a high level of original research in that it goes beyond the existing research on the Carmichael biographies The knowledge of the field is comprehensive and the number and quality of sources impressive The biographic genre and methodology complement the extensive research in the book This combination constitutes a genuine historical foundation for the scholarship The main purpose of the book is to open the field of science to and pique the interest of professional theologians with an interest in missiology and in the valuable contribution of Amy Carmichael of Dohnavur The book includes a comprehensive overview of the existing scholarly work on the topic and then makes a further innovative contribution to and in the end provides the most comprehensive picture of the work of Amy Carmichael to date It will become the definitive reference book on the history of Christian missionary work in south India It is original research and no part of the book was plagiarised from any other publication or has been published elsewhere before
