Opportunity Knocks Senator Tim Scott, 2020-04-14 In this memoir about overcoming adversity in America the U S Senator responsible for creating opportunity zones explains how hard work and community growth can drive businesses and end poverty Senator Tim Scott knows adversity As the son of a single mother from North Charleston South Carolina he struggled to get through school and had his dreams of a college football career shattered by a car wreck But thanks to his mother and a few mentors along the way he learned that failure isn't failure unless you quit He also learned that it's hard work and perseverance not a government handout that will get you ahead in life Today Senator Scott is the only black Republican in the Senate and he believes that investment and commerce are the best ways to rebuild our most impoverished communities This is the idea behind his signature piece of legislation the opportunity zones program which President Trump has strongly endorsed The program provides tax incentives for businesses that invest in low income urban areas seeking to replace things like welfare and government assistance In Opportunity Knocks Senator Scott will tell his life story with a focus on adversity and opportunity He will teach readers about the principles of hard work and hope while addressing the dangers of veering too far toward socialist policies The book will also not shy away from discussions of racism and racial inequality in the United States and will recount some of Senator Scott's own brushes with racism as well as the many discussions he's had with people who want to help including President Trump
