WALT DISNEY Bob Thomas, 1994-04-15 Walt Disney is an American hero. From Mickey Mouse to Disneyland, he changed the face of American culture. His is a success story like no other: a man who developed animated film into an art form and made a massive contribution to the folklore of the world. After years of research, Bob Thomas, the biographer of Bing Crosby, Fred Astaire, and William Holden, among other Hollywood legends, produced a definitive biography of the man behind the legend of Disney: the unschooled cartoonist from Kansas City who, when bankrupt on his first movie venture, developed into the genius who produced unmatched works of animation and ultimately was the creative spirit of an international

entertainment empire that has enchanted generations Complete with a collection of rare photographs Walt Disney An
