Walther P99 Detailed User Manual:

The Theatrical Firearms Handbook Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen. This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade. Within these pages are practical instruction couched in the language of theatre and film making; firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material. It contains over 100 illustrations. This handbook is equally at home within the worlds of academic training, professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers, props designers, backstage crew, directors, actors, stage managers and more at all levels of experience.

Handguns 2002 Ken Ramage, 2001-09 The latest edition of the top selling handguns annual presents new reports on handguns for field and personal protection use. The comprehensive catalog section is fully updated, expanded and well illustrated, displaying today's commercially available handguns. New feature articles provide the latest on trends, gun tests, self-defense and handgun hunting. The catalog section covers currently manufactured semi-custom handguns and commercial centerfire, rimfire and blackpowder pistols as well as airguns. Plus an accessories section covers handgun grips, sights, scopes, metallic reloading presses and spotting scopes. An essential reference section gives enthusiasts the NRA Compendium of Firearms Laws, the NRA Right to Carry Reciprocity Guide, a directory of the handgunning trade and listings of arms associations, periodicals and books. Extensively updated handgun catalog section. Expanded semi-custom handguns and handgun grips coverage. Latest trends, gun tests, self-defense and handgun hunting.

The Fine Art of Executive Protection A. Hunsicker, 2007-12 The number of incidents and crimes carried out by terrorists and criminals such as physical threats, violent attacks, assassinations, kidnapping and hostage situations are increasing by the minute worldwide. Each incident is a constant and ever-demanding challenge to the law enforcement and the personal security professionals in particular. A detailed but understandable manual for the Executive Protection Officer is a priority and the answer to those challenging situations. The Fine Art of Executive Protection is a detailed but understandable manual for the Executive Protection Officer providing answers to those challenging situations. Information about every aspect of executive protection is not only an important part of the professional's training curriculum but plays also a vital role for the client who seeks protection. This manual will provide a clear view of all aspects not only for the professional but also for prospect clients. To make sure of this, all available training and study material, individual case studies and real scenarios combined with professional experience served as a foundation for this specialist's manual. The Fine Art of Executive Protection in its comprehensive and straight-forward form will guide the reader through the diversity of disciplines and skills which are essential for any professional of the executive protection and private security sector. This book provides

detailed information and knowledge necessary and indispensable not only for the novice but also for the experienced executive protection professional. It provides the clear knowledge and a thorough understanding of the characteristics, diversity and demands of this profession. It contains all the essential ingredients necessary for an effective protection planning and successful service demanded by any executive protection specialist. Providing all the tools, techniques and applications needed for this specific job, it also shall motivate some talents which may need to be developed further and to face not only today's protection needs but also those of the future. The book not only contains detailed professional information for the person seeking a post in the glamorous world of the executive protection business but also provides all the information necessary for those under threat and in need of close protection and a secure environment. A protection seeking client will find detailed information about Executive Protection and Physical Security. Executive or Personal Protection was once considered a service only and exclusive for the rich, famous and a few selected government officials. But recent events and an increase in violence quickly transformed Executive Protection into a sought after service commodity worldwide. Keeping this in mind, any part of this guide is therefore easily adaptable and adjusted to any region or country in the world. However, one must carefully consider and act within the local laws to assure a successful protection service.

Handbook of Handguns Jeffrey Strickland, 2013-04-25. In light of the 2nd Amendment debates, shooting may become the national pastime. To act responsibly within the 2nd Amendment means knowing how to properly bear arms. Knowing involves understanding firearm types, firearm operation, ammunition, internal ballistics and shooting. These require training, especially shooting. Whether you own or plan to own a handgun for recreation, competition or self defense, training is of the utmost importance. When you fire a projectile bullet from a firearm, you are responsible for where it goes. You need to understand how fast it travels, how far it can travel and how accurate your firearm is in delivering the projectile to your intended target. Yes, bearing arms is a right but not one to be taken lightly. Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up shooting. **Splinters of You** Anne

Malcom, 2021-03-19. Words are my weapon. Stories wrap around my soul, choking me, capturing you. I don't work in dreams. I don't offer escapes. I cage you within my nightmares. The next bestseller. Sickness. That's what it is. She can't be healthy because that means she won't write. And she hasn't been writing. A looming deadline and a crumbling psyche drive her into the woods. To a cabin which was the site of a grisly murder. A serial killer butchering women, toying with her. Her plan is to borrow some of the horror that seeped into the soil. But hers follows her. The woods are meant to be her escape. But they are almost her demise. Almost. He was an unlikely saviour. An unexpected muse. He has horrors of his own. A motorcycle club looking to settle a score. A soul too broken to offer her anything but pain.
