Year 4 Qca Mathematics Teachers Guide 2015:

Learning to Teach Mathematics in the Secondary School Sue Johnston-Wilder, Clare Lee, David Pimm, 2016-09-13

Learning to Teach Mathematics in the Secondary School combines theory and practice to present a broad introduction to the opportunities and challenges of teaching mathematics in the secondary school classroom. This fourth edition has been fully updated to reflect the latest changes to the curriculum and research in the field, taking into account key developments in teacher training and education, including examinations and assessment. Written specifically with the new and student teacher in mind, the book covers a wide range of issues related to the teaching of mathematics, such as why we teach mathematics, the place of mathematics in the National Curriculum, planning teaching and assessing for mathematics, learning how to communicate mathematically, using digital technology to advance mathematical learning, working with students with special educational needs, post-16 teaching, the importance of professional development, the affective dimension when learning mathematics, including motivation, confidence, and resilience. Already a major text for many university teaching courses, this revised edition features a glossary of useful terms and carefully designed tasks to prompt critical reflection and support thinking and writing up to Masters Level. Issues of professional development are also examined, as well as a range of teaching approaches and styles, from whole class strategies to personalised learning, helping you to make the most of school experience during your training and beyond. Designed for use as a core textbook, *Learning to Teach Mathematics in the Secondary School* provides essential guidance and advice for all those who aspire to be effective mathematics teachers.

The SENCO Survival Guide Sylvia Edwards, 2016-03-01. Still the best all-round guide for SENCOs on the market. Pippa Whittaker, Curriculum Leader for Inclusion City Academy Bristol. The SENCO Survival Guide is an informative resource, fully updated with the new 2014 SEND Code of Practice and containing practical advice to help SENCOs manage their responsibilities and lead their school effectively towards a common goal. In light of current developments, this resource sets out the government's fresh agenda for whole school discussion and helps SENCOs in mainstream or special schools at every stage to manage changes in SEND policy and practice. With up-to-date information on the changes taking place to support learners with SEN and disabilities, this fully revised new edition also includes strategies to break the cycle of SEND low achievement, advice on crucial aspects of the SENCO role, including assessment, provision, mapping, preparing for OFSTED, disability discrimination, and equality, advice on training, managing and deploying teaching assistants effectively, ways in which the enhanced role of parents can be harnessed in order to achieve maximum success for learners with SEND. This book will give SENCOs the confidence, skills, and knowledge to promote maximum achievement for learners with SEND in all schools across all key stages and will support them in their role to develop and shape their schools' policies and practices on SEND. This book will also be of use to other members of staff looking for practical strategies to raise the attainment of all pupils with SEN and disabilities.
