**Transformative Time Travel** Jay S. Lowder, 2024-10-31 Some words belong together But what about these Christian Non fiction Time travel Is that surprising Christians should engage in mental time travel each day Their minds should travel back to the cross of Jesus which should impact their choices today Then their minds should travel forward to the return of Jesus and have increased hope That is biblical meditation thinking about God's truths and then living a hope filled life But what happens when we do it wrong time traveling in fearful worried ways to the terrible future we can imagine Or what if readers fail to time travel to the future to be alert They may even live an undisciplined life today because they do not meditate on their tomorrows enough This book is more than just a book it's a biblical time travel guide It connects readers daily experiences with how God wants them to think about their past and future Readers will be surprised how many of their struggles are linked to their time travel skills What a victorious life awaits as readers learn to enjoy transformative time travel

*The Assimilation of Yogic Religions through Pop Culture* Paul G. Hackett, 2017-10-23 The image of the meditating yogi has become a near universal symbol for transcendent perfection used to market everything from perfume and jewelry to luxury resorts and sports cars and popular culture has readily absorbed it along similar lines Yet the religious traditions grounding such images are often readily abandoned or caricatured beyond recognition or so it would seem The essays contained in *The Assimilation of Yogic Religions through Pop Culture* explore the references to yogis and their native cultures of India Tibet and China as they are found in the stories of many famous icons of popular culture from Batman Spider Man and Doctor Strange to Star Trek Doctor Who Twin Peaks and others In doing so the authors challenge the reader to look deeper into the seemingly superficial appropriation of the image of the yogi and Asian religious themes found in all manner of comic books novels television movies and theater and to carefully examine how they are being represented and what exactly is being said

**III Olympiad** Carl Posey,2015-11-18 The III Olympiad the fourth volume in The Olympic Century series begins with the first Olympic Games held outside Europe the St Louis Games of 1904 The St Louis Games are set against the backdrop of a much larger concurrent event the Louisiana Purchase Exposition also known as the St Louis World s Fair which featured

displays and demonstrations of art culture and technology from around the world Despite this distraction the St Louis Games still produced its share of memorable Olympic champions There is the story of the gymnast George Eyser who won six medals in one day in spite of his wooden leg the sprinter Archie Hahn who won three golds and set a record in the 200 metres that would stand for 28 years and two Tswana tribesmen in St Louis for the Exposition who competed in the marathon and thus became the first black African Olympians The focus then turns to Athens 1906 also known as the Intercalated Games which were held only once The book tells the story of the American Ray Ewry who added two golds in Athens to extend his Olympic total to eight from three Games Billy Sherring of Canada the unlikely winner of the marathon who raised the money to travel to Greece at the horse races and Peter O Connor of Ireland who won gold and silver competing reluctantly for Great Britain then scaled the stadium flagpole to hoist the Irish flag Juan Antonio Samaranch former President of the International Olympic Committee called The Olympic Century e The most comprehensive history of the Olympic games ever publishede **Citizen**

**Scholar** Philip N. Cohen, 2025-01-21 What is the role of professional scholars in civic life How and why should academics seek to reach audiences beyond their disciplines and institutions Must there be tension between advancing along an academic career path and taking part in public conversations or can these goals reinforce each other This book is a practitioner s guide to civic engagement today showing current and aspiring social scientists how to build a career in the public sphere Drawing from personal experience and in depth research Philip N Cohen gives straightforward advice that acknowledges professional risks as well as rewards He calls on readers to embrace the reciprocal relationship between professional scholarship and active citizenship arguing that aligning personal and vocational identities can enhance both public and academic contributions Citizen Scholar explores intellectual work on social media communication on topical issues the role of political activism and how to build trust while developing a public intellectual identity It features lively examples from Cohen s own work from data visualization principles to his experience suing President Trump for blocking him on Twitter and winning For social scientists seeking to reach a wider public Citizen Scholar provides tools and strategies for intellectual engagement and imparts invaluable perspective on how to lead a fulfilling professional and civic life **New**

**World Empires** Ilhan Niaz, 2024-11-15 This book is a sweeping reexamination of the evolution of the state covering the indigenous orders of pre Columbian America the Spanish Portuguese and British Empires in the Americas and their major successor states of Mexico Brazil and the United States Exploring the mechanisms of colonial order construction and the way in which that process prepared the ground for the emergence of national empires after independence Niaz contends that the destruction of indigenous demography and culture was so complete that the societies and states of the New World are colonial in their basic fabric thereby diverging from the Asian and African experience of European colonial rule Independence from European empires intensified repression instability and inequality in each of the successor states turning the rhetoric of equality and revolutionism into a legitimizing device for extraordinarily brutal regimes that completed the

colonizing mission begun by European states The volume examines these contradictions from a South Asian perspective and places the Americas in the broader narrative of the world's historical experience of governance and arbitrary rule New World Empires is intended for academics professionals and students interested in American Studies political studies and the history of governance in the Americas

**Discrepant Solace** David James, 2019 Consolation has always played an uncomfortable part in the literary history of loss But in recent decades its affective meanings and ethical implications have been recast by narratives that appear at first sight to foil solace altogether Illuminating this striking archive Discrepant Solace considers writers who engage with consolation not as an aesthetic salve but as an enduring problematic one that unravels at the centre of emotionally challenging works of late twentieth and twenty first century fiction and life writing The book understands solace as a generative yet conflicted aspect of style where microelements of diction rhythm and syntax capture consolation's alternating desirability and contestation With a wide angle lens on the contemporary scene David James examines writers who are rarely considered in conversation including Sonali Deraniyagala Colson Whitehead Cormac McCarthy W G Sebald Doris Lessing Joan Didion J M Coetzee Marilynne Robinson Julian Barnes Helen Macdonald Ian McEwan Colm Toibin Kazuo Ishiguro Denise Riley and David Grossman These figures overturn critical suppositions about consolation's kinship with ideological complaisance superficial mitigation or dubious distraction producing unsettling perceptions of solace that shape the formal and political contours of their writing Through intimate readings of novels and memoirs that explore seemingly indescribable experiences of grief trauma remorse and dread James demonstrates how they turn consolation into a condition of expressional possibility without ever promising us relief He also supplies vital traction to current conversations about the stakes of thinking with contemporary writing to scrutinize affirmative structures of feeling revealing unexpected common ground between the operations of literary consolation and the urgencies of cultural critique Discrepant Solace makes the close reading of emotion crucial to understanding the work literature does in our precarious present

**The Public Legitimacy of Minority Claims** Plamen Makariev, 2016-10-04 Problems involving minorities still constitute a significant challenge for public policies in countries such as the ones on the territories of the former Soviet Union and Yugoslavia Unassimilated facing the cultural non transparency of their lifeworlds and usually without autonomy their problems are quite different from those in Western Europe and North America This book presents a study of public policies concerning the national ethnic and religious minorities in the countries of Central and Eastern Europe It explores the opportunities available for applying the model of deliberative democracy to the domain of designing and realizing minority policies It examines the possibility that minority groups can influence and ideally even pre decide minority policies by legitimizing claims concerning their needs and rights in a way that leaves democratic public opinion no choice but to support them Adopting a novel approach to the public legitimization of minority claims it proposes that the general public's evaluation of the credibility of minority claims should focus on the procedural qualities of the intra group ethical political discourses through which these

claims are articulated and substantiated This text will be of key interest to students and scholars of public policy minority politics the politics of Eastern Europe political theory and comparative politics      **Debrett's Peerage and Baronetage 2019** Susan Morris,2020-04-20 Debrett's Peerage Baronetage is the only up to date printed reference guide to the United Kingdom's titled families the hereditary peers life peers and peeresses and baronets and their descendants who form the fascinating tapestry of the peerage This is the first ebook edition of Debrett's Peerage Baronetage and it also contains information relating to The Royal Family Coats of Arms Principal British Commonwealth Orders Courtesy titles Forms of address Extinct dormant abeyant and disclaimed titles Special features for this anniversary edition include The Roll of Honour 1920 a list of the 3 150 people whose names appeared in the volume who were killed in action or died as a result of injuries sustained during the First World War A number of specially commissioned articles including an account of John Debrett's life and the early history of Debrett's Peerage and Baronetage a history of the royal dukedoms and an in depth feature exploring the implications of modern legislation and mores on the ancient traditions of succession      *Methodology, Ideology and Pedagogy of African Art* Moyo Okediji,2024-02-14 This edited volume including contributions from scholars with different areas of specialization investigates a broad range of methodologies ideologies and pedagogies focusing on the study of the art of Africa using theoretical reflections and applications from primitivism to metamodernism Chapters break the externally imposed boundaries of Africa related works beyond the conventional fragments of traditional contemporary and diaspora The contributions are significantly broad in their methodologies ideologies and pedagogical coverage yet they all address various aspects of African artistic creativity demonstrating the possibilities for analytical experiments that art history presents to scholars of the discipline today The w character of each approach is unique nevertheless each is useful toward a fuller understanding of African art studies as an independent aspect of art historical research that is a branch or bud of the larger family of art history The volume respects highlights and celebrates the distinctiveness of each methodical approach recognizing its contribution to the overall character or w of African art studies The book will be of interest to students in undergraduate or graduate intermediate or advanced courses as well as scholars in art history and African studies      *Faerie Lovers* Barbara Samuel,2015-11-17 Enjoy three wildly romantic faerie novellas by 7 time RITA award winner Barbara Samuel Earthly Magic When Ciarann summons the fairy prince she is unaware of the potent magic she is unleashing The only one who can save her is a darkly handsome bard whose pure music finally opens her heart to love The Love Talker Faery Lord Galen is cursed condemned to a life of roaming misty glens and seducing human women to their deaths But lovely innocent Moira enchants him and when he falls in love the spell is broken The Harper's Daughter Deirdre is a woman so beautiful she drives men mad and the young woman is promised to the king On her way to wed him she falls in love with a wildly handsome warrior who will challenge the prophecies of doom that surround her
