Adina Broder creates a highly readable child friendly guide to the Yom Kippur Viduy that will surely enhance young people's understanding and kavanah intention when reciting the viduy that recurs so many times during the Yom Kippur service. As an educator par excellence who touches the heartstrings as well as teaches, Morah Broder brings both an age appropriate sensitivity to the text and its meaning as well as concrete examples from the everyday lives of students that will surely resonate with young people when they use the Booklet as a learning tool and especially as a companion to the Machzor. I hope that it will be used by both schools and parents. Mrs. Rookie Billet, Shulamith School for Girls, MD Principal. I have been shown a draft of Viduy Booklet for Kids organized and presented by Mrs. Adina Broder. Viduy is not only a challenging mitzvah for us all; it is the centerpiece and anchor for the entire Yom Kippur davening. Mrs. Broder has done a tremendous service to our youth by opening up to them much of the rabbinic concepts expressed in our viduy. She tries to capture the idea behind each line with a focus on having practical teshuva messages for our children and grandchildren. May this booklet instill deep feelings of repentance in both young and old and may we all merit to return to Hashem with all our heart. Rabbi Shalom

9099□9□9□9□99□9□9@9□@ Michael L. Munk, 1983. For more than a generation, Rabbi Michael L. Munk, as a sidelight to his busy schedule of educational and communal work, has fascinated audiences with his learned and provocative lectures on the Hebrew alphabet. In the process of opening eyes and raising eyebrows, he has convinced countless people that his contention is true: the Hebrew alphabet abounds in scholarly and mystical meaning. He has developed and proven a profound thesis: The alphabet, if correctly understood, is a primer for life. Ethical conduct, religious guidance, philosophical insights—all are nestled in the curls, crowns, and combinations of the Hebrew letters. This is one of those rare books that is both interesting and profound, learned and readable. The wisdom and compassion of the author is evident in those subtle ways that do not intrude on the reader but give him the satisfaction of knowing that a rich, warm, productive lifetime of experience is flavoring the text. *How to be a Jewish Parent*, Anita Diamant, Karen Kushner, 2000. From the bestselling author of *The Red Tent*, comes indispensable practical advice for those who wish to build a family and a home imbued with the values and traditions.
