Yorkshire Terrier Training Manual Yelena Ballina, 2021-07-29 Yorkshire Terriers, also known as Yorkies, are tiny, cute dogs with big personalities. These tiny dogs are fierce and fiercely loyal, fearless, intelligent, and despite their size, are great watchdogs. Like many small breeds, Yorkies are full of energy and personality, and that may make them a bit more challenging to teach to sit, stay, and lay down, simply because they want to be on the move. Even if you train your Yorkie with basic obedience commands, you'll find he is eager to learn and to please and picks up commands quickly. Yorkshire Terriers can be tough to train if you don't stand your ground. This training guide is a great resource for both people who are considering buying a puppy, as well as new Yorkie owners who need a little help getting through the puppy stage. If you are thinking about getting a Yorkie but aren't familiar with the breed, flip to the chapters that cover its history, common characteristics, and unique traits. If you are ready to get started with training your Yorkie puppy, you can jump right into the chapters that go over
