Denis Glennon,2023-04-14 A violent and senseless crime committed against an innocent citizen and a father s desire 25 years later to speak directly to others who have lost a child or experienced similar grief to help in the necessary recovery back into their lives Ciara Glennon vanished into the night in Perth Western Australia leaving a family and a city in deep shock When her body was found nineteen days after her disappearance even those with long memories could not remember a time when the community was as overwhelmed with sadness and anguish A violent and senseless crime committed against an innocent citizen the details and repercussions of Ciara s disappearance were unsettling Ciara was murdered by the person the media labelled The Claremont Serial Killer The search to find him spanned twenty five years Ciara s father Denis was a driving force in insisting that the killer be found and justice be delivered for his daughter Such grief in its woundedness and suffering can deliver startling and shocking impacts on body mind heart and spirit This is the story of Denis s journey and the pathways he found to arrive at a sense of peace and contentment after the loss of his daughter Pastures of Healing is a raw intimate and uplifting story **The Aesthetics of Imperfection in Music and the Arts** Andy Hamilton,Lara

Pearson,2020-10-01 The aesthetics of imperfection emphasises spontaneity disruption process and energy over formal perfection and is often ignored by many commentators or seen only in improvisation This comprehensive collection is the first time imperfection has been explored across all kinds of musical performance whether improvisation or interpretation of compositions Covering music visual art dance comedy architecture and design it addresses the meaning experience and value of improvisation and spontaneous creation across different artistic media A distinctive feature of the volume is that it brings together contributions from theoreticians and practitioners presenting a wider range of perspectives on the issues involved Contributors look at performance and practice across Western and non Western musical artistic and craft forms Composers and non performing artists offer a perspective on what is imperfect or improvisatory within their work contributing further dimensions to the discourse The Aesthetics of Imperfection in Music and the Arts features 39 chapters organised into eight sections and written by a diverse group of scholars and performers They consider divergent definitions of aesthetics employing both 18th century philosophy and more recent socially and historically situated conceptions making this an essential up to date resource for anyone working on either side of the perfection imperfection debate Zest Andy
