Some Day Robert Eidelberg, 2020-06-29 *SOME DAY The Literature of Waiting A Creative Writing Course With Time on Its Hands* Now wait Now Wait You do it all the time Time and time again You're doing it right now waiting on our every word So here goes before there was this book *SOME DAY* on writing creatively about a world of waiting there was special topics Hunter College English course on *The Literature of Waiting* that featured a selection of novels plays and short stories by some rather famous world authors But wait even before that time sensitive college course there were well the elevators particularly the ones in the North Building of Hunter College of the City University of New York Elevators that you always had to wait distressingly long for when they were apparently working and eternally long for when they were out of service There was even that infamous elevator repair sign Picture it a photoshopped female student with her right hand flat out in the stop and wait position her compressed lips silently conveying that any wait on your part for an elevator to come would be entirely futile And did we mention that the repair sign would inevitably remain up even after that elevator had been fixed Now that made a certain sense since it was only a matter of time before the sign was like a broken clock accurate again Author Robert Eidelberg's *Books With a Built In Teacher* In addition to *Some Day The Literature of Waiting* all of the following *Books With a Built In Teacher* by educator and author Robert Eidelberg are available through all online bookstores as well as from the author by contacting him at glamor62945 mypacks.net Who's There in Shakespeare's *HAMLET* That Is the Question Stanza

Phobia A Self Improvement Approach to Bridging Any Disconnect Between You and Poetry by Understanding Just One Poem
Yes One and Winding Up Not only Learning the Process involved but Coming to Love at Least a Few More Poems and Maybe Poetry Itself Good Thinking A Self Improvement Approach to Getting Your Mind to Go from Huh to Hmm to Aha Playing Detective A Self Improvement Approach to Becoming a more Mindful Thinker Reader and Writer By Solving Mysteries Detectives Stories for Thinking Solving and Writing So You Think You Might Like to Teach 29 Fictional Teachers for Real Model ow to Become and Remain a Successful Teacher Staying After School 19 Students for Real Have the Next What if Word on Remarkable Fictional Teachers and Their Often Challenging Classes Julio A Brooklyn Boy Plays Detective to Find His Missing Father with John Carter How to Raise a Reader Pamela Paul, Maria Russo, 2019-09-03 An indispensable guide to welcoming children from babies to teens to a lifelong love of reading written by Pamela Paul and Maria Russo editors of The New York Times Book Review Do you remember your first visit to where the wild things are How about curling up for hours on end to discover the secret of the Sorcerer s Stone Combining clear practical advice with inspiration wisdom tips and curated reading lists How to Raise a Reader shows you how to instill the joy and time stopping pleasure of reading Divided into four sections from baby through teen and each illustrated by a different artist this book offers something useful on every page whether it s how to develop rituals around reading or build a family library or ways to engage a reluctant reader A fifth section More Books to Love By Theme and Reading Level is chockful of expert recommendations Throughout the authors debunk common myths assuage parental fears and deliver invaluable lessons in a positive and easy to act on way Little Readers, Big Thinkers Amy Stewart, 2023-10-10 Young learners are full of questions and wonderings so much so that sometimes they need a guide for their curiosity Author Amy Stewart brings her manageable approach to close reading in Little Readers Big Thinkers Teaching Close Reading in the Primary Grades With Stewart guiding you ll be able to harness the big thinking we know is inside their inquisitive minds She showcases ways that close reading can teach even the youngest students new ways to enjoy texts think about them critically and share that thinking with peers and adults With its description of the pillars of close reading multiple lesson sequences for grades K 2 and real life classroom scenarios Little Readers Big Thinkers offers a trove of insights What close reading is and is not How to encourage students to read like detectives Ways to weave close reading practices into your lessons How to cultivate real reading organic thinking and deep conversation Which books invite amazing learning and thinking experiences By giving young minds a great foundation close reading will become a stepping stone to a lifelong love of reading *Awakening Joy for Kids* James Baraz, Michele Lilyanna, 2016-08-09 Awarded the 2016 Nautilus Gold Medal for Parenting and Family Spirit Rock founder author and teacher James Baraz s Awakening Joy offers his large and devoted readership a program to gain contentment and happiness by cultivating the seeds of joy within Here he joins with Michele Lilyanna a classroom teacher for 25 years to offer caregivers and children ways to find joy in each day together This unique offering nourishes both adults and kids James shares the

practices for the adults parents caregivers and teachers Michele offers her own experiences as a parent and as a teacher showing how the themes work with kids followed by the tried and true lessons that she s used herself in the classroom and at home Packed with practices and activities that James and Michele have gathered over their many years of working with thousands of adults and children in retreats workshops and the classroom *Awakening Joy for Kids* is imbued with compassion and delight Part of Parallax Press growing curriculum for parents and educators designed to cultivate joy and mindfulness in children

The Early Reader in Children's Literature and Culture Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and

sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe

Books Come Alive
William Teale, Miriam G. Martinez, Junko Yokota, 2021-07-15 Books Come Alive Reading Aloud and Reading Along with Young Children is about using read alouds to promote empathy and the ability to think deeply in response to literature Grounded in research and theory the book explores how to ensure that read alouds have maximum instructional value to promote literacy and spark children's lifelong love of literature This book offers teachers information about book selection how to plan for and conduct read alouds and extend children's experiences The book also includes a vetted and extensive compendium of high quality books for read alouds accompanied by a framework for teaching with those books

Give Clutter the Middle Finger
Meggie Mangione, 2025-09-30 When social media organizing perfection has you burned out here is the only guide you need to pass Clutter can be a real pain in the you know what And even worse are the social media posts and magazines and books featuring perfectly organized rooms shelves and cabinets that make the smallest messes feel like disasters This organization book isn't like that Give Clutter the Middle Finger is here to reprogram the stigma and judgment we have about clutter reshape the goal of what being organized really feels and looks like and ultimately stop letting clutter control our emotions and self worth In these pages professional organizer Meggie Mangione guides us to understand that the goal of organization is not to find perfection but freedom freedom in your schedule your spaces and your spirit For those with the clutter whirlwinds we call kids or those who have schedules packed to the brim Give Clutter the Middle Finger is a refreshingly humorous and empathetic guide to getting your stuff under control In it professional organizer Meggie Mangione will teach you strategies for how to organize your home room by room silence your inner comparison monster to live authentically find freedom in your physical and mental spaces consume with scrutiny release the guilt and shame you may have about your clutter Let's shift how we feel about our stuff so we can stop fighting clutter and get back to living our best lives
