Millennial Jewish Stars Jonathan Branfman, 2024-06-18 Highlights how millennial Jewish stars symbolize national politics in US media Jewish stars have longed faced pressure to downplay Jewish identity for fear of alienating wider audiences But unexpectedly since the 2000s many millennial Jewish stars have won stellar success while spotlighting rather than muting Jewish identity In *Millennial Jewish Stars* Jonathan Branfman asks what makes these explicitly Jewish stars so unexpectedly appealing And what can their surprising success tell us about race gender and antisemitism in America To answer these questions Branfman offers case studies on six top millennial Jewish stars the biracial rap superstar Drake comedic rapper Lil Dicky TV comedy duo Abbi Jacobson and Ilana Glazer man baby film star Seth Rogen and chiseled film star Zac Efron Branfman argues that despite their differences each star's success depends on how they navigate racial antisemitism the historical notion that Jews are physically inferior to Christians Each star especially navigates racial stigmas about Jewish masculinity stigmas that depict Jewish men as emasculated Jewish women as masculinized and both as sexually perverse By embracing deflecting or satirizing these stigmas each star comes to symbolize national hopes and fears about all kinds of hot button issues For instance by putting a cuter twist on stereotypes of Jewish emasculation Seth Rogen plays soft man babies who dramatize and then resolve popular anxieties about modern fatherhood This knack for channeling national dreams and doubts is what makes each star so unexpectedly marketable In turn examining how each star navigates racial antisemitism onscreen makes it easier to pinpoint how antisemitism white privilege and color based racism interact in the real world Likewise this insight can aid readers to better notice and challenge racial antisemitism in everyday life

Locating Localism Jane Wills, 2016-07-12 *Locating localism* explores the development of localism as a new mode of statecraft and its implications for the practice of citizenship Drawing on original research Jane Wills highlights the importance of having the civic infrastructure and capacity to facilitate the engagement of citizens in local decision making She looks at the development of community organising neighbourhood planning and community councils that identify and nurture the energies talents and creativity of the population to solve their own problems and improve our world Combining political theory with attention to political practice the book takes the long view of this new policy development positioning it in relation to the political geo history of the British state In so doing it highlights the challenges of the state devolving itself and the importance of citizens having the freedom incentives and institutions needed to act *The Playing Grounds of College Football* Mark Pollak, 2018-12-12 College football teams today play for tens of thousands of fans in palatial stadiums that rival those of pro teams But most started out in humbler venues from baseball parks to fairgrounds to cow pastures This comprehensive guide traces the long and diverse history of playing grounds for more than 1000 varsity football schools including bowl eligible teams as well as those in other divisions FCS D2 D3 NAIA *Supporting and Accommodating Students with Special Health Care Needs* Azure D. S. Angelov, Mary Jo Rattermann, 2023-12-06 Schools are increasingly

responding to the impact and prevalence of special health care needs among children and youth COVID 19 brought the health needs of many students to the forefront Now more than ever it is crucial to for educators to plan for working with students with health needs Many of these students with health needs are eligible for special education and related services and will need programming appropriate to address their unique needs Further school teams and special education personnel must continually ensure that goals and services within an IEP consider the student s individual circumstances and impact on functioning This book will provide strategies for supporting students with health care needs throughout their education including referral family engagement report writing IEP design and implementation Fortunately school teams can apply many components of a health care needs approach to developing IEPs regardless of the concern or the existence of a medical history This book provides guidance to educators to assist in the development of legally defensible IEP s for all students particularly those with a known or suspected history of health care needs Specifically the book will help Provide a clear description of the impact of adversity and health care needs on student functioning particularly for students with disabilities Describe how symptoms of health care needs map onto existing disability categories within IDEA Apply a supportive approach to family engagement assessment and report writing Take a different approach to PLAAFPs Establish goals that are legally defensible and are written in light of the child s circumstances viewing behavioral concerns as a skill deficit rather than purely a performance deficit Beyond the objectives described above the information is particularly valuable given ongoing state and local legislation mandating schools become more aware of students with health care needs and apply those approaches to all aspects of our work in schools e g interactions discipline interventions Despite the significant increase in recognizing the impact of students with health care needs few books have operationalized that to the various components of service delivery This book is the first of its kind in operationalizing a health care informed approach to IEP development
