Handbook of Handguns Jeffrey Strickland, 2013-04-25 In light of the 2nd Amendment debates shooting may become the national passtime To act responsibly within the 2nd Amendment means knowing how to properly bear arms Knowing involves understanding firearm types firearm operation ammunition internal ballistics and shooting These require training especially shooting Whether you own or plan to own a handgun for recreation competition or self defense training is of the utmost importance When you fire a projectile bullet from a firearm you are responsible for where it goes You need to understand how fast it travels how far it can travel and how accurate your firearm is in delivering the projectile to your intended target Yes bearing arms is a right but not one to be taken lightly Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up shooting Shooter's Bible and Gun Trader's Guide Box Set Graham Moore, Robert A. Sadowski, 2016-10-18 Now available in one special set the bestselling must have reference book and one stop guide to buying new and collectible firearms Previously published as two separate reference

guides Skyhorse Publishing is packaging its bestselling Shooter's Bible and Gun Trader's Guide together for the first time. Now gun enthusiasts can see the specs and photos of brand new and currently produced firearms as well as information and market prices for collectible firearms with one purchase. Published annually for more than eighty years, the Shooter's Bible is the most comprehensive and sought-after reference guide for new firearms and their specifications as well as for thousands of guns that have been in production and are currently on the market. The 108th edition also contains new and existing product sections on ammunition, optics, and accessories, plus updated handgun and rifle ballistic tables and extensive charts of currently available bullets and projectiles for handloading. For more than half a century, the Gun Trader's Guide has been the standard reference for collectors, curators, dealers, shooters, and gun enthusiasts. Updated annually, this thirty-eighth edition boasts dozens of new entries since last year's edition and includes a complete index and a guide on how to properly and effectively use this book in order to find the market value for your collectible modern firearm. No matter what kind of modern firearm you are interested in, the Shooter's Bible and Gun Trader's Guide Box Set is the perfect all-in-one source of information.

Shooter's Bible Guide to Combat Handguns Robert A. Sadowski, 2012-02-01 For more than 100 years, Shooter's Bible has been the ultimate comprehensive resource for shooting enthusiasts across the board. Trusted by everyone from competitive shooters to hunters to those who keep firearms for protection, this leading series is always expanding. Here is the first edition of the Shooter's Bible Guide to Combat Handguns, your all-encompassing resource with up-to-date information on combat and defensive handguns, training and defensive ammunition, handgun ballistics, tactical and concealment holsters, accessories, training facilities, and more. No Shooter's Bible guidebook is complete without a detailed products section showcasing handguns from all across the market. Author Robert Sadowski proves to be a masterful instructor on all aspects of handguns, providing useful information for every reader, from those with combat handgun experience in military and law enforcement fields to private citizens, first timers, and beyond.

Police Use of Force Joseph B. Kuhns, Johannes Knutsson, 2010-04-09 A team of expert contributors provides an in-depth exploration of police use of force, firearms, and less than lethal weapons from a dozen countries across five continents. *Police Use of Force: A Global Perspective* is a fascinating international exploration of police use of force, firearms, and less than lethal weapons in nations around the world. The book is comprised of three sections: the first focuses on the use of force generally, the second explores firearms and deadly force, and the final section considers less than lethal weapons, including pepper spray, TASERS, and other emerging technologies currently on the horizon. The essays gathered here will provide readers with an understanding of the vast differences in how police use force in various countries, as well as why police use force differently under different forms of government. Topics covered include use of force definitions, training procedures, policy issues, abuse of police authority, use of force during interrogations, and the use of firearms by armed and unarmed police forces. Finally, there is an essay focusing on how shooting and killing a suspect impacts an officer in the months and years that follow.

Handbook on the Soviet Army

United States. Department of the Army,1959 **Shooter's Bible, 112th Edition** Graham Moore,2020-10-06 Published annually for more than eighty years the Shooter s Bible is the most comprehensive and sought after reference guide for new firearms and their specifications as well as for thousands of guns that have been in production and are currently on the market With more than seven million copies sold this is the must have reference book for gun collectors and firearm enthusiasts of all ages Nearly every firearms manufacturer in the world is included in this renowned compendium The 112th edition also contains new and existing product sections on ammunition optics and accessories along with updated handgun and rifle ballistic tables and extensive charts of currently available bullets and projectiles for handloading With a timely feature on the newest products on the market and complete with color and black and white photographs featuring various makes and models of firearms and equipment the Shooter s Bible is an essential authority for any beginner or experienced hunter firearm collector or gun enthusiast *Dragon Key* Don Pendleton,2015-02-01 DRAGON S LAIR When an American operative is jailed Mack Bolan must finish the agent s mission to smuggle a Chinese activist and his family out of the country But getting the dissident away alive becomes a logistical nightmare for Bolan and the two inexperienced CIA agents assisting him Not only are the Chinese authorities on their tail but the activist insists on retrieving a stolen flash drive in Shanghai The memory key contains sensitive information belonging to a renegade general As determined to recover the data as the dissident is the general has hired a legendary assassin famous for eliminating anyone who gets in his way In a battle where only one champion can survive Bolan may have met his match But the Executioner is used to fighting against overwhelming odds and has something much more important on his side justice *The Ethics of Armed Citizenship* Sean Brian,24-10-22 From 2019 various surveys have shown a sustained increase in gun ownership in the United States Estimates of new first time gun owners range from 7.5 million to about 15 million almost 5% of the U S population There is an immediate need for each of these new gun owners to be educated on the issues of proper storage the need for training to become proficient with the weapon and a clear understanding of the legal and ethical issues surrounding self defense Guns implicate fundamental rights and raise issues that are literally matters of life and death The ownership of a gun does not confer the ability to use it properly nor the mindset to possess it safely The solution is not to paternalistically regulate guns out of existence The attempt to do so may prove not only self defeating but dangerous The way forward is a more thoughtful and educated gun owner Drawing on the author s personal experiences of gun ownership and marksmanship this book addresses a wide variety of issues ranging from the ethics of self defense to the legal history of the Second Amendment and the practical considerations necessary to exercise the right to bear arms The Ethics of Armed Citizenship is a guide for gun owners to exercise their rights responsibly and commit to protecting others and for those who research gun ownership to better understand both the philosophical issues behind the right to bear arms in the USA and the practicalities and legalities of gun ownership
