Emergency Items Catalogue, 3rd edition, Volume 1 , *Cruising World* ,1992-01 **Replacing Your Boat's Engine** Mike Westin,2012-11-30 The first in a series of highly practical hands on step by step photographic manuals Replacing Your Boat s Engine fills a gap in the market for the DIY boat builder and repairer It is a subject covered only in

piecemeal fashion by the yachting press which like general boat repair manuals can't go into the level of detail Mike Westin does. This is a visual hand holding guide dwelling on the practical details of replacing a boat's engine and related systems as it explains each procedure rather than focussing on the theory which is relegated to an appendix for those who wish to go further. Anyone who wishes to upgrade their boat's engine or replace an ailing or broken engine will find this step by step illustrated book a hand holding godsend.
