The Two Popes Anthony McCarten, 2015-10-16 THE STORY BEHIND THE SCREENPLAY OF THE TWO POPES THE MAJOR MOTION PICTURE STARRING ANTHONY HOPKINS AND JONATHAN PRYCE PREVIOUSLY PUBLISHED AS THE POPE From the Academy Award nominated screenwriter of The Theory of Everything and Darkest Hour comes the fascinating and revealing tale of an unprecedented transfer of power and of two very different men who both happen to live in the Vatican In February 2013 the arch conservative Pope Benedict XVI made a startling announcement he would resign making him the first pope to willingly vacate his office in over 700 years Reeling from the news the College of Cardinals rushed to Rome to congregate in the Sistine Chapel to pick his successor Their unlikely choice Francis the first non European pope in 1 200 years a one time tango club bouncer a passionate soccer fan a man with the common touch Why did Benedict walk away at the height of power knowing his successor might be someone whose views might undo his legacy How did Francis who used to ride the bus to work back in his native Buenos Aires adjust to life as leader to a billion followers If as

the Church teaches the pope is infallible how can two living popes who disagree on almost everything both be right Having immersed himself in these men s lives to write the screenplay for The Two Popes Anthony McCarten masterfully weaves their stories into one gripping narrative From Benedict and Francis s formative experiences in war torn Germany and Argentina to the sexual abuse scandal that continues to rock the Church to its foundations to the intrigue and the occasional comedy of life in the Vatican The Two Pope glitters with the darker and the lighter details of one of the world s most opaque but significant institutions

Pope Francis There is a charm and a charism to Pope Francis His words have a way of captivating the reader Like all good pastors he points to Jesus Prepare now to join Pope Francis on this walk along the Way From the Foreword by ARCHBISHOP JOSEPH E KURTZ Ask someone for a definition of Christianity and you are likely to hear a philosophical historical or even cultural description of it But any explanation of the Christian faith that fails to define it as a way of being of proceeding is missing the mark For at its core Christianity is about living and loving as committed disciples of Jesus Christ Embracing the Way of Jesus is a beautifully curated collection of excerpts from the homilies and writings of Pope Francis all centering on Christianity as a way of life or as the earliest Christians would have understood it the Way Through the Pope s meditations on Scripture we pause to consider essential aspects of discipleship such as The Way of the Cross The Way of Prayer The Way of Children The Way of the Poor and more The book even offers a rare opportunity to see more clearly the path of discipleship through the lens of the Old Testament For anyone desiring to live out the faith in a way that can truly transform and heal our hearts and our world Embracing the Way of Jesus is the perfect place to start

Pope Paul VI and his Quest for Peace: 1963-1978 Rev John F Tuohey PhD.,2024-12-10 Pope Paul VI 1963 1978 ranks among the most influential even if less recognized figures in the history of the twentieth and we can even say twenty first century Roman Catholic Church He inherited and embraced what he had first described as the hornet s nest of Vatican Council II created by his friend and predecessor John XXIII In fulling the mandate of aggrornamento renewing and updating the Church Paul VI took particular interest in the Church s engagement in the modern world as an instrument of peace It was to the pursuit of peace that he dedicated his papacy setting aside the traditional role of a pope as a neutral party and possible mediator and embracing the role of humanity s moral conscience speaking out in ways that suggested he was choosing sides The US State Department suggested his vision of neutrality was unbalanced because of his persistent condemnation of the US bombing strategy in Vietnam A singular moment in his quest for world peace was his unprecedented address to the United Nations General Assembly sixty years ago on October 4 1965 There he boldly challenged the 116 represented nations to move forward to a world where there was Never again one against the other Never again war It is to mark this 60th anniversary that the two volumes of Pope Paul VI and His Quest for World Peace are written Volume 1 Never again war examines his historic 1965 visit to New York and his guiding through Vatican Council II changes in Church teaching in finding a new attitude towards

war and peace Volume 1 also explores in detail his unusual relationship with President Johnson and the role he played in the initiation of the Paris Peace Talks that would eventually end US military engagement in Southeast Asia Volume 2 If you want peace provides a commentary on the annual New Year's Peace Messages he first gave in 1968 and continued throughout the remainder of his papacy In these he offers an exact idea of peace seeking to move humanity away from the both ancient and contemporary adage If you want peace prepare for war towards a more positive If you want peace promote human rights 1969 and work for justice 1972 In these two volumes Tuohy gives a coherent and compelling narrative of key historical moments and theological insight into this sometimes described as forgotten pope bringing the pope and his message back to mind for the benefit of humanity

The Eucharistic Vision of Laudato Si Lucas Briola, 2022-12-28 No other encyclical has generated as much conversation both Catholic and non Catholic as Laudato si Often forgotten in these conversations is the theological heart and eucharistic vision of the encyclical and its integral ecology Even the title of Laudato si Praised be signals the centrality of right praise in caring for our common home Using Bernard Lonergan's theology of history this book unearths the doxological eucharistic vision that shapes the encyclical's integral presentation of social and ecological conversion It offers the first book length study that recovers the eucharistic nature of Laudato si In drawing out the eucharistic vision of Laudato si the book accomplishes several feats for the reader It roots the eucharistic dimensions of the encyclical in the writings of Popes John Paul II and Benedict XVI showing how Pope Francis develops their thought in notable ways It introduces Bernard Lonergan's theology of history showing how his framework can capture the eucharistic contours of caring for our common home so too in light of Laudato si does the book expand his theology of history to incorporate both ecological concern and the doxological eucharistic essence of the church The book assembles a liturgically shaped systematic account of the church's social mission It joins poles otherwise sundered in a polarized church and world between worship and justice between concerns for human life and concerns for the natural world Realizing the eucharistic vision of Laudato si promises much for our contemporary moment Pope Francis recently observed that the integral ecology of Laudato si holds the key for the world's recovery from the COVID 19 pandemic The U S Catholic Bishops recently launched a Eucharistic Revival that aims to rekindle eucharistic devotion and praxis The Eucharistic Vision of Laudato Si Praise Conversion and Integral Ecology supplies a timely study that helps fulfill these intertwined calls
