Priestly Fatherhood Fr. Jacques Philippe, 2021-01-01 Recognizing the strong and gentle fatherhood which our Heavenly Father bestows on us lovingly and daily indefinitely changes the scope of our spiritual lives Amidst the crisis of fatherhood in today's society it is imperative more than ever that all men especially priests be images of this unfalteringly generous fatherhood of God What does true fatherhood consist of How can true fatherhood help a person gain access to the freedom found through the knowledge of his or her identity as a child of God While answering these questions Fr Jacques also presents the spiritual path which allows a priest to guard himself against possible shortcomings and ambiguities as he

strives to live out his priestly fatherhood the gift received by him in ordination This book will not only be of interest to priests but will also help all those who are called to exercise a certain paternity in the Church or in society fathers of families spiritual fathers educators and leaders *Peace on Earth* Edwin Jones, 2016-05-27 This book posits that it is not possible for a civilization to maintain a human and humane culture without the assistance of religion Religion can be misused or abused into having a negative effect but an authentic religion when properly managed is the only effective source of durable common and humane values throughout society Religion's assertion of the existence of God who alone provides the transcendent power is the only logical basis for asserting and maintaining common values for all people going far above and beyond the indiscriminate and multifarious opinions of diverse and imperfect human beings Some people can maintain certain values derived from their own consciences but human history and psychoanalysis shows that the majority of people cannot sustain a whole culture or civilization from a purely utilitarian and materialistic basis Human nature is imperfect and needs the help of a transcendent power to support its spiritual needs in a humane society and to create a culture or civilization that lasts

Blessed the Merciful Benjamin A Vima, 2016-02-19 The books title is taken from Jesus Sermon on the Mount Blessed are the merciful for they will be shown mercy Expounding in detail in this book Rev Vima stresses the Scriptural fact that at the end of disciples life their merciful acts are the ones that would covet the crown of heavenly blessedness as the Judge would pronounce to them Come you who are blessed by my Father Inherit the kingdom prepared for you from the foundation of the world For I was hungry and you gave me food The author also explains very elaborately the Biblical term CHESED as the remarkable backdrop to the Christian merciful deeds He continues to augment his contention on CHESED by telling the readers about Jesus longing of his disciples to be perfect as their heavenly Father by performing merciful deeds and by performing those acts perfectly by imitating Gods CHESED of mercy justice and fidelity Author writes in his Introduction This book is nothing but an outcome of my strong belief in an eternal fact of living a CHESED oriented life Without Gods CHESED we cannot survive but without our reciprocal CHESED we cannot be what we are designed to become As the Church

celebrates the Jubilee Year of Mercy author encourages the readers to listen and follow Pope Francis who referring to the beatitudes is quoted saying If the church does not assume the sentiments of Jesus it is disoriented it loses its sense Fr Vima also dreams that those who read this book will be more inspired and sincere in their works of mercy during this year and the years to come
