Yellowblack The First Twenty One Years Of A Poets Life:

YellowBlack Haki R. Madhubuti, 2005 Powerful prose poetry and jazz riffs chronicle the first 21 years of the life of Haki R. Madhubuti formerly Don L. Lee poet, publisher, editor, and activist. He was raised by his mother Maxine, whose life is also recounted, including gritty details of how she used her body to feed, house, and shelter her children without help from their absentee father. Despite the obstacles in his childhood, music and literature molded the young Don Lee effectively, saving his life.

Malcolm X and the Poetics of Haki Madhubuti Regina Jennings, 2006-10-12 Illustrating the power of oratory in the 1960s and its successful merging with the art of that era, this text examines the significance of Malcolm X as a literary muse for Haki Madhubuti, one of America's premiere poets and essayists. Long after the death of Malcolm X, Haki Madhubuti continued to expound on X's major oratorical themes, including the effort to destroy the racial appellation "Negro" and to create new definitions for words that relate to Africa. X's persistence in oratory during the 1960s influenced an art movement that changed the psychology and behavior of American Blacks. Through a historical and literary analysis of Black poetry, this text charts how selected writers exhibited great tensions around issues of race until the arrival of the 1960s generation of artists. This book contributes to a broader understanding of Malcolm X and his impact on American writing and culture.

The Cambridge History of African American Literature Maryemma Graham, Jerry Washington Ward, 2011-02-03 A major new history of the literary traditions, oral and print, of African descended peoples in the United States.

African American Almanac Lean'tin Bracks, 2012-02-01 The most complete and affordable single volume reference of African American culture available today, this almanac is a unique and valuable resource devoted to illustrating and demystifying the moving, difficult, and often lost history of Black life in America. Celebrating centuries of achievements, the *African American Almanac: 400 Years of Triumph, Courage, and Excellence* provides insights on the influence, inspiration, and impact of African Americans on U.S. society and culture. A legacy of pride, struggle, and triumph is presented through a fascinating mix of biographies, including 750 influential figures, little-known or misunderstood historical facts, enlightening essays on significant legislation and movements, and 445 rare photographs and illustrations. Covering politics, education, religion, business, science, medicine, the military, sports, literature, music, dance, theater, art, film, and television, chapters address the important events and social and cultural changes that affected African Americans over the centuries, followed by biographical profiles of hundreds of key figures, including Muhammad Ali, Maya Angelou, Josephine Baker, Amiri Baraka, Daisy Bates, George Washington Carver, Ray Charles, Bessie Coleman, Gary Davis, Frederick Douglass, W. E. B. Du Bois, Michael Eric Dyson, Duke Ellington, Medgar Evers, Henry Louis Gates Jr., Eric H. Holder Jr., Langston Hughes, Zora Neale Hurston, LeBron James, Mae C. A Political Education Elizabeth Todd-Breland, 2018-10-03 In 2012 Chicago s school year began with the city s first teachers strike in a quarter century and ended with the largest mass closure of public schools in U S history On one side a

union leader and veteran black woman educator drew upon organizing strategies from black and Latinx communities to demand increased school resources On the other side the mayor backed by the Obama administration argued that only corporate style education reform could set the struggling school system aright The stark differences in positions resonated nationally challenging the long standing alliance between teachers unions and the Democratic Party Elizabeth Todd Breland recovers the hidden history underlying this battle She tells the story of black education reformers community based strategies to improve education beginning during the 1960s as support for desegregation transformed into community control experimental schooling models that pre dated charter schools and black teachers challenges to a newly assertive teachers union This book reveals how these strategies collided with the burgeoning neoliberal educational apparatus during the late twentieth century laying bare ruptures and enduring tensions between the politics of black achievement urban inequality and U S democracy

Civil Rights Movement Michael Ezra, 2009-05-13 This work documents the importance of the civil rights movement and its lasting impression on American society and culture This revealing volume looks at the struggle for individual rights from the social historian s perspective providing a fresh context for gauging the impact of the civil rights movement on everyday life across the full spectrum of American society From the landmark Brown v Board of Education case to protests against the Vietnam War to the fight for black power Civil Rights Movement People and Perspectives looks at events that set the stage for guaranteeing America s promise to all Americans In eight chapters some of the country s leading social historians analyze the most recent investigations into the civil rights era s historical context and pivotal moments Readers will gain a richer understanding of a movement that expanded well beyond its initial focus the treatment of African Americans in the South to include other Americans in regions across the nation
