Reconciliation in a Michigan Watershed Gail Gunst Heffner,David P. Warners,2024-05-01 Like many American urban

waterways Ken O Sha has been in decline for nearly two hundred years Once life supporting the waterway now known as Plaster Creek is life threatening In this provocative book scholars and environmentalists Gail Gunst Heffner and David P Warners explore the watershed s ecological social spiritual and economic history to determine what caused the damage and describe more recent efforts to repair it Heffner and Warners provide insight into the concept of reconciliation ecology as enacted through their group Plaster Creek Stewards who together with community partners refuse to accept the status quo of a contaminated creek unfit for children s play severely reduced biological diversity and environmental injustices Their work reveals that reconciliation ecology needs to focus not only on repairing damaged human nature relationships but also on the relationships between people groups including Indigenous North Americans and the descendants of European colonizers Michigan History George Newman Fuller, Lewis Beeson, 1923 **Michigan History Magazine** , 1924

Michigan History Magazine George Newman Fuller, Lewis Beeson, 1927 *The Notorious Life of Ned Buntline* Julia Bricklin, 2020-06-01 Edward Zane Carroll Judson aka Ned Buntline 1821 1886 was responsible for creating a highly romantic and often misleading image of the American West albeit one that the masses found irresistible in the mid to late nineteenth century Some scholars estimate that he wrote at least four hundred dime novels over his lifetime and perhaps as many as six hundred While he is best known for discovering William Frederick Cody Buffalo Bill and making the irrepressible scout a star Judson by that time had already lived five lifetimes himself he had fought Seminole Indians in Florida started and bankrupted three newspapers published dozens of successful novels agitated for the Know Nothing party and fought in the Union Army during the Civil War Along the way the fiery redheaded gray eyed writer lectured extensively about temperance between drinking bouts He married eight women seduced at least one other and cavorted with prostitutes one of whom beat him physically and legally It wasn t until 1869 that en route home from a temperance speaking tour in California he met Cody in Nebraska while trying to make contact with another Western star Wild Bill Hickok Judson s time with his last three wives overlapped his time with Cody Their subsequent fight over Judson s Civil War pension provides not only a unique glimpse into the mind of a narcissistic genius but also a panoramic view of America s past forcibly displayed by white Protestant manhood *The Notorious Life of Ned Buntline* captures the likeness of a man whose life was a landscape littered with contradictions a man whose readers often forgave his Jekyll and Hyde behavior because of his inventive portrayal of a country trying to subdue the last of its natural landscapes and make sense of its teeming cities It will be at last an open eyed look at the man who sparked an American legend but whose own scandalous life somehow escaped history s limelight A Grand Rapids Sampler Gordon L.
