Yossi Yasser And Other Soldiers:

Yossi, Yasser, & Other Soldiers Jon Sebba, 2013-01-01 **The Israeli-Palestinian War** Anthony H.

Cordesman, 2005-10-30 The Israeli Palestinian conflict is more than a local or regional dispute Its ongoing and escalating nature increases the risk that the violence will spill over its present borders and contribute to both extremism and terrorism While the Intifada from 1987 to 1993 was largely a popular uprising and a political struggle the recent clash is a war with a steady escalation between conventional and unconventional forces It is in the interest of all major powers the international community and the United Nations to press both sides to accept a realistic peace plan Noted Middle East expert Anthony Cordesman details this continuing struggle by explaining the issues at stake for each side the various combatants both directly and indirectly engaged as well as the course of the war in its various incarnations The situation on the ground is complex and the quest for peace is ever more uncertain If the Intifada was a struggle for recognition that a peace had to be reached that was just for both sides the Israeli Palestinian War has polarized both sides away from peace convincing them of the justice of their own cause and tactics and the fundamental injustice of the other side s tactics and goals Each side has used human rights international law and civilian casualties as political weapons The history of a near century of conflict is used to justify war rather than a search for peace **Alternative Press Index** ,2005 East Jerusalem Palestinian

Students' Experiences in Israeli Academia Al-Khansaa Diab, 2025-01-15 This groundbreaking research delves into the lives of students from East Jerusalem as they navigate the landscape of Israeli higher education Through captivating stories the book uncovers the battles uncertainties and achievements of these youth as they encounter linguistic cultural and political barriers By using Narrative Inquiry and integrating theories of settler colonialism and intersectionality the author sheds light on how these students manage their identities and challenge disparities while pursuing their aspirations The book s distinct perspective resonates not with scholars in Middle Eastern studies but with international students globally who face similar hurdles in foreign academic settings It offers insights for individuals interested in the journeys of Palestinian women navigating traditional societies alongside contemporary ambitions This publication is a must read for educators policymakers and anyone interested in grasping the aspect of cross cultural education within conflict zones It contributes to conversations around establishing fair and inclusive learning environments making it pertinent to fields like education sociology gender studies and conflict resolution *Death Tango* Yossi Alpher, 2022-02-15 *Death Tango* traces the Middle East dynamic back to the events of March 27 29 2002 March 27 Passover Eve witnessed the most bloody and traumatic Arab terrorist attack in Israel s history the Park Hotel bombing in Netanya On March 28 an Arab League summit in Beirut adopted the Arab Peace Initiative the most far reaching Arab attempt to set parameters for ending the Israel Arab conflict The next day Israel invaded and reoccupied the West Bank in Operation Defensive Shield Alpher illustrates the interaction between these three critical events and depicts the key personalities politicians generals and a star journalist involved on all sides It moves from a suicide

bombing to the deliberations of Arab leaders from the Israel Prime Minister's Office where Ariel Sharon fulminated against Yasser Arafat to Washington where the United States fumbled and misunderstood the dynamics at work and on to the Jenin refugee camp where Israeli soldiers won a bloody military battle but Israel lost the media battle of public opinion. Based on extensive interviews and his deep personal knowledge Alpher analyzes the three days in late March 2002 as a catalyst of extensive change in the Middle East concluding that Arabs and Israelis are dancing a kind of death tango

Image of the Other and the Self in the American and British press during the Gulf Crisis and War Ingrid Deweweire, 2024-10-25

The invasion of Kuwait by Iraqi troops on 2 August 1990 triggered a large scale military operation conducted by Washington as well as a huge media campaign. This study seeks to compare the American press with the British press during the Gulf Crisis and War. The main objective is to examine the journalistic discourse of opinion as developed by newspapers belonging to the so called quality press and deconstruct the ways in which this discourse was developed. This raises questions about the language adopted by editorialists and journalists and in particular about the way in which the Other enemy and allies and the Self the USA and the UK were described by the American daily papers the New York Times and the Washington Post and the British daily papers the Times and the Guardian and the Sunday newspapers the Sunday Times and the Observer during the crisis and the war. The study is based on a comparative analysis of editorials, opinion articles and letters to the editor published in the selected newspapers in order to highlight subjects and themes in connection with the image of the Other and the Self and show the differences and similarities in the processing of information in both the American and British press.

Handbook of Ethnic Conflict Dan Landis, Rosita D. Albert, 2012-02-14 Although group conflict is hardly new the last decade has seen a proliferation of conflicts engaging intrastate ethnic groups. It is estimated that two thirds of violent conflicts being fought each year in every part of the globe including North America are ethnic conflicts. Unlike traditional warfare civilians comprise more than 80 percent of the casualties and the economic and psychological impact on survivors is often so devastating that some experts believe that ethnic conflict is the most destabilizing force in the post Cold War world. Although these conflicts also have political economic and other causes the purpose of this volume is to develop a psychological understanding of ethnic warfare. More specifically Handbook of Ethnopolitical Conflict explores the function of ethnic religious and national identities in intergroup conflict. In addition it features recommendations for policy makers with the intention to reduce or ameliorate the occurrences and consequences of these conflicts worldwide

The Arab-Israeli Conflict Kirsten E. Schulze, 2013-11-14 In this fully revised new edition Kirsten Schulze brings us to a new understanding of the causes, course and consequences of the Arab-Israeli Conflict. Schulze analyses the dynamics of the violence and explores the numerous attempts at resolving the conflict. She assesses why in the cases of Israel-Egypt in 1978 and Israel-Jordan in 1994 negotiations succeeded in bringing about a lasting peace and why in the cases of Israel and the Palestinians, Syria and Lebanon they failed to do so. Written in a clear and accessible style this fully updated second edition traces the origins of the

conflict from their first intellectual roots in the 19th century Examines the actions and aims of the competing nationalist movements during the period of the British Mandate which led to the creation of the state of Israel Outlines and analyses each of the Arab Israeli conflicts from the creation of the state of Israel in 1948 to the 2006 Lebanon war and the on going second Palestinian uprising With a diverse collection of documents and a Chronology Glossary Guide to Further Reading and a Who s Who summarizing the careers and contributions of the main figures this book is absolutely vital to understanding the current Israeli Palestinian violence the intra Palestinian rift between Hamas and Fatah and why the Arab Israeli conflict has become the centre of Muslim politics both violent and non violent across the world *The Other Israel* ,2002 **The Two-State Delusion** Padraig O'Malley,2016-07-26 Author Padraig O Malley is the subject of the new acclaimed documentary *The Peacemaker* Impressive O Malley has done a tremendous amount of research about the Israeli Palestinian conflict The New York Times Book Review Disputes over settlements the right of return the rise of Hamas recognition of Israel as a Jewish state and other intractable issues have repeatedly derailed peace negotiations between Israel and Palestine Now in a book that is sure to spark controversy renowned peacemaker Padraig O Malley argues that the moment for a two state solution has passed After examining each issue and speaking with Palestinians and Israelis as well as negotiators directly involved in past summits O Malley concludes that even if such an agreement could be reached it would be nearly impossible to implement given a variety of obstacles including the staggering costs involved Palestine s political disunity and economic fragility rapidly changing demographics in the region Israel s continuing political shift to the right global warming s effect on the water supply and more In this revelatory hard hitting book O Malley approaches the key issues pragmatically without ideological bias to show that we must find new frameworks for reconciliation if there is to be lasting peace between Palestine and Israel *Rise and Kill First* Ronen Bergman,2019-07-09 NEW YORK TIMES BESTSELLER The first definitive history of Israel s targeted killing programs which have shaped the Israeli nation the Middle East and the larger world from the man hailed by David Remnick as arguably Israel s best investigative reporter An exceptional work a humane book about an incendiary subject full of shocking moments surprising disturbances in a narrative full of fateful twists and unintended consequences The New York Times WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY ONE OF THE TEN BEST BOOKS OF THE YEAR Jennifer Szalai The New York Times A BEST BOOK OF THE YEAR The Economist The New York Times Book Review BBC History Magazine Mother Jones The Talmud says If someone comes to kill you rise up and kill him first This instinct to take every measure even the most aggressive to defend the Jewish people is hardwired into Israel s DNA From the very beginning of its statehood in 1948 protecting the nation from harm has been the responsibility of its intelligence community and armed services and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats Targeted assassinations have been used countless times on enemies large and small sometimes in response to attacks against the Israeli people and sometimes preemptively In this page turning eye opening book journalist

and military analyst Ronen Bergman praised by David Remnick as arguably Israel's best investigative reporter offers a riveting inside account of the targeted killing programs their successes their failures and the moral and political price exacted on the men and women who approved and carried out the missions Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government including Prime Ministers Shimon Peres Ehud Barak Ariel Sharon and Benjamin Netanyahu as well as high level figures in the country's military and intelligence services the IDF Israel Defense Forces the Mossad the world's most feared intelligence agency Caesarea a Mossad within the Mossad that carries out attacks on the highest value targets and the Shin Bet an internal security service that implemented the largest targeted assassination campaign ever in order to stop what had once appeared to be unstoppable suicide terrorism Including never before reported behind the curtain accounts of key operations and based on hundreds of on the record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting Rise and Kill First brings us deep into the heart of Israel's most secret activities Bergman traces from statehood to the present the gripping events and thorny ethical questions underlying Israel's targeted killing campaign which has shaped the Israeli nation the Middle East and the larger world Israel, Strategic Culture and the Conflict with Hamas Niccolò

Petrelli, 2017-10-12 This book offers a comprehensive overview of the impact of strategic culture on Israeli military operations against Hamas between 1987 and 2014 It has often been argued that Israeli policies and military operations against Hamas have proven tactically effective but strategically disastrous allowing the Islamic Resistance Movement to grow from a small spin off of the Muslim Brotherhood into a powerful military and political actor in the Palestinian arena This book argues contrary to this opinion that Israel was effective in its struggle against the Islamic Resistance Movement between 1987 and 2014 as the Jewish state ultimately managed to deny the majority of Hamas strategic aims and to preserve a position of relative strength By relying on a synthesis of primary sources interviews memoirs scholarly and professional military studies and information gathered from the media the study delivers a careful and comprehensive analysis of the conflict It provides an historical outline of the development of the Israeli strategic culture and analyzes its impact on the process of military adaptation during the First Intifada the Oslo Peace Process the al Aqsa Intifada and the Gaza wars Finally the book illuminates how the Israeli strategic culture moulded a distinctive way of war that though marked by successes and failures ultimately proved effective against Hamas This book will be of much interest to students of strategic studies Middle Eastern politics counter insurgency counter terrorism and security studies in general **The Guardian Index**, 2003

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an

emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon **Arik** David Landau,2014-11-11 A commander in the Israeli Army from its inception in 1948 and a politician whose tenure bridged numerous governments as both a general and a politician Ariel Sharon championed the construction of Israeli settlements in the West Bank and Gaza But in his later years as prime minister he took a dramatic turn and became the driving force behind Israel s unilateral disengagement In this first truly comprehensive biography David Landau the former editor in chief of Haaretz paints a vivid picture of the most dramatic and imposing Israeli political and military leader of the last forty years and takes a penetrating look at how Sharon transformed his country like no one else **The Greater the Risk** Avi Shaked,2025-05-31 a must read for anyone interested in entrepreneurship leadership the pursuit of peace and the life of a remarkable man Readers Favorite Avi Shaked s gripping story is that of an Israeli who bridged the worlds of international business and peace building a particularly compelling subject given Israel s complex position in both global commerce and Middle Eastern diplomacy The combination of business acumen and peacemaking efforts in one individual s story offers unique insights into how economic relationships can potentially serve diplomatic ends Yoram Dori is a strategic advisor and biography writer He served for years as a close advisor for Israel s President Shimon Peres What does it take to become a successful international business leader and Middle East peacemaker In **The Greater the Risk** Avi Shaked chronicles his extraordinary journey from humble beginnings as a first generation Israeli to his role as founder of 888 com now EvokePlc to using his wealth to support peace efforts to end the Israeli Palestinian conflict From his first job in construction to an IPO on the London Stock Exchange to a bold peace offer of 1 billion and signing the Geneva Accord Shaked s story takes readers on a personal and riveting roller coaster ride as he risks everything to build his company honor his family and seek an enduring peace in his homeland As he navigates family struggles historical upheaval and high stakes business ventures Shaked learns invaluable lessons about resilience relationship building social responsibility and transforming adversity into opportunity More than a memoir **The Greater the Risk** is a timely reminder that positive change requires perseverance innovation and a willingness to take risks for the greater good Shaked s inspiring story reveals how unwavering commitment and belief especially in the face of uncertainty can create a lasting and positive impact [Arab-Israeli Conflict](#) Priscilla Roberts,2017-04-06 Covering the Arab Israeli conflict from its origins to the present this valuable resource traces the evolution of this ongoing seemingly unresolvable

dispute through a wide array of primary source documents Arab Israeli Conflict A Documentary and Reference Guide provides a fresh accessible and thorough overview of the Arab Israeli conflict covering its origins in the late 19th century to the present day situation and enabling readers to grasp why peace has proved so elusive despite massive international efforts to reach a permanent and lasting solution to this protracted animosity Chronological chapters first address the years up to the establishment of Israel in 1948 then move forward to the wars of 1956 and 1967 and their impact the 1973 Yom Kippur War and early efforts to reach a lasting peace settlement and the ongoing international and Israeli Palestinian negotiations since the mid 1980s Readers will come away with not only an understanding of why so many great powers were from the beginning interested in the fate of the territory known as Palestine and of the current issues from an international perspective but also an appreciation of the personalities and ethnic backgrounds involved that make the conflict so difficult to resolve

The Dark Side of Zionism Baylis Thomas, 2009-01-01 The Dark Side of Zionism Israel's Quest for Security through Dominance arises out of the scholarship of the new historians a group of mostly Israeli scholars who have uncovered a history widely ignored in the popular media Baylis Thomas argues that both the early Zionists and later the Israelis sought their security through the military domination of the indigenous Arab population of Palestine This strategy required both avoiding negotiations with the Palestinian Arabs and provoking the weak Arab states opposed to the Israeli takeover of Palestine into entering wars they would lose The role of British imperial power was crucial in this early history as was the later U S support of Israel right or wrong Thomas explores the larger context of this history in chapters on colonization hegemony weapons diplomacy terrorism nationalism religion Zionism and prospects for resolution of the conflict While students and scholars of Middle Eastern studies and international relations will find this book valuable it is intended for the intelligent general reader who is curious about current events yet puzzled about the Palestinian Israeli conflict Israel's national identity founded on the memory of being victims of the Holocaust focuses on current events that seem consistent with the past even as the nation uses force to thwart Palestinian national aspirations The Dark Side of Zionism argues that peace for both Israelis and Palestinians can only come if Israel relinquishes military rule

Allah's Fire Chuck Holton, Gayle Roper, 2009-02-19 Two Dangerous Missions Collide with Explosive Results A suicide bomber blows up a hotel in Beirut killing hundreds of people A young American woman is kidnapped in Lebanon by terrorists Connected or coincidence Despite the government's difficulty in locating her sister Liz Fairchild a reporter from the States is determined to find her regardless of the risks Meanwhile Sergeant John Cooper and his elite Special Ops team hunt down Palestinian extremists in possession of a new undetectable explosive that will change the face of terror When Liz and Task Force Valor's paths intersect more is at risk than their separate missions While maneuvering through hostile territory Liz and John realize they need each other to survive Their antagonism gradually gives way to cooperation and something more Task Force Valor Explosive Ordnance Disposal The Bomb Squad As the global war on terror heats up the U S needs a team of highly trained special operators to

deploy overseas to locate and neutralize threats bringing EOD expertise to the dirty deadly missions that have no room for error For the men of Task Force Valor life is a blast A lethal new weapon Master Sergeant John Cooper and his Special Ops team of explosives hunters have a mission unlike any they ve ever experienced before A new undetectable type of explosive has burst onto the scene and it will change the face of terror in the world Washington wants the manufacturers shut down before it turns up on American soil A missing sister A suicide bomber blows up a hotel in Beirut Liz Fairchild an American reporter searches for her sister Julie who is presumed dead in the blast until Liz uncovers evidence she might be alive When signs indicate that time is running out for Julie Liz is determined to find her regardless of the risks A stealthy escape As their separate objectives bring John and Liz together the path ahead takes twists neither of them counted on Although God works in all things for the good of those who love Him God s definition of good might not match theirs When the mission goes south and politics intrude on their plans the team must rely on their wits and guts to survive Can they make it with a wounded team member and a female civilian in tow

Story Behind the Book I met Chuck Holton a few years ago when he took my fiction classes at the Mount Hermon Christian Writers Conference I enjoyed him because my life experience is so different from his When it was time to develop a new fiction series I thought it would be fun to combine his military background with my civilian background and write a series right out of today s headlines He has basically written the male points of view and I ve done the female Very challenging and great fun Gayle Roper
