Inspirations Spoken Day by Day Debra Domino, 2021-08-12 Inspirations Spoken Day By Day With Faith Hope and Love is a chronicle of daily thoughts inspired by interpretations from Bible verses The bible verses bring meaning to daily life as nearly everything that happens has some reference to a verse in the bible Inspirations Spoken Day by Day With Faith Hope and Love started as a simple five minute daily ritual of connecting by text to send an uplifting message as an expression of showing support and concern between friends As the days moved forward the messages became like daily vitamins that gave hope to inspire each day The concept inspired the project for Inspirations Spoken Day by Day With Faith Hope and Love to share thoughts pulled from the mental thought library of the heart and soul while using the bible verses as sources of reference The daily mental stimulation of the heart provided a type of therapy to soothe the emotional anguish from many of the raging changes that were happening after the eruption of the Covid 19 pandemic and also other changes that upset normal life as it was known before Sometimes the greatest support that can be given is to have someone who truly cares about your daily well being and knows how to connect and render the care This book has 366 days of verses quotes poetic thoughts and inspirations that may be used as references to channel your own thoughts to make daily mental notes goals or take actions to help uplift your spirits each day

The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion As a preacher's son Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion He and four sisters labored to

comply with cult demands consistent with their mother's mantra People expect preacher's kids to be perfect The Voice of Truth bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ conflicts with voices of deception from pulpits and pews triggering crippling anxiety depression and suicidal ideation Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity When a Connecticut preacher detects his private struggle the Bible scholar promises If you marry a good Pentecostal girl this thing will just fade away Jasper foolishly accepts the challenge believing that the pastor's counsel is based on Truth A 32 year battle ensues during which a Pentecostal preacher's daughter who aware of his struggle and trained in Exploitation of Advantage manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which simply won't leave me alone Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute Spiritual Warfare ensues during which he is molested by authority figures betrayed by cult dishonesty falls into sin is attacked by demons and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth In the end his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building marriage family home career material wealth and reputation Yet in losing all he is delivered from the Darkness of cult idolatry whereupon he is finally free to immerse himself in genuine Truth Light and Love breaking the tyrannical chains of Cult Religion Released by the Holy Spirit from cult bondage he is at last unleashed to fulfill his destiny To teach the Truth about Jasper Love that boundless unconditional love known only to those who genuinely experience Spiritual Enlightenment to a people deceived by the hateful harlots of idolatry who are nothing more than power crazed authoritarian self aggrandizing despotic antiChrist heretics who worship only one god CONTROL Song of Promise

concerns facing adoptive parents while offering encouragement for the journey ahead *The Squirrel's Finnegan* J. Russell Brooks, 2016-11-23 My fondest wish is that parents will sit down with their children and read this book together in the hopes that together they can talk openly and honestly about the issues covered in this book Why did I write the book Well the Millikan family has been a long time inspiration to me because I am not only the author but the true character Uncle Russ I am hoping that reading the real life story of the Millikan family will give others families a better understanding of what its like to have a child with special needs Yes I said special needs not gifts Yes there are difficult challenges and decisions that have to be made on behalf of a special needs child but the return of innocent unconditional love from that child makes the extra responsibilities easier to handle Parents of kids with special needs are forced very early on of the realization that their child is going to have unique issues as they grow into young adults Joe and Robin fought hard and made many sacrifices to ensure Troys education would help him grow up to be productive adult I also hope their story will get parents and their children to embrace the differences among people Just because a young person looks different does not mean that they or their parents are not approachable Parents lead by example if you are at the park and see a mom or dad with a special needs child engage them Ask them about their kid you will be pleasantly surprised that they like bragging about their child just as much as parents with so called normal kids do Introduce your children to special needs children If they are able to interact with the child they will be much more likely to engage them kindly the next time they are faced with the same situation Let your children ask the parents of special needs children questions Children are naturally curious even if their questions embarrass you Knowledge is contagious and the next time your kid is in the park with a friend staring at a special needs child you might be pleasantly surprised to hear your kid say to his friend Oh thats just so and so and his mom Do you want to meet them Lastly I am hoping that parents start teaching their children about bullying at an early age Bullying has become an epidemic in this country It is not just little kids picking on each other on the playground at school anymore If we can get to kids early enough and get them to embrace the differences in people they might not become bullies themselves And if they ever become a victim of bullying teach them to never be afraid to tell their parents or any trusted adult no matter what age they are Most bullies are just scared insecure kids or adults that would rather be cruel to others than face their own issues It is sad that parents have to be so vigilant these days because there are so many new ways and places for bullies to thrive
