Ozua, *The Battle Against Sexual Sin A Christian Perspective* is all about the importance of learning and understanding sexual sins its dangers and freedom from it through sexual purity The book explains the unnaturalness of sexual perversions its harbingers and the characters involved in the acts Highlights include sexual sin and sexual perversions masturbation sexting sexual sin and teenagers The author use this book to tell the readers that despite how sexually amoral the world has become Christians can live a chaste and undefiled life through the grace of God After reading this book you will understand how sexual perversions are generated who generates them what consequences are involved and most importantly how to be free from them The book will tell you how to keep yourself body soul and spirit undefiled like a purified life in this crooked and perverse generation Sexual Battles ,2013-02-13 Have you ever wondered if there s a secret to living a life of freedom and holiness Have you feared that maybe you re missing something somewhere Or perhaps you ve wondered whether it really is even possible to live a life free of immorality and sexual sin Statistics today say that sexual problems such as porn addiction sex before marriage and adultery are more prevalent than they have ever been before They affect those of faith just as often as those who do not profess any form of religion Sexual addictions have become a master weapon via which the devil keeps millions of people from fulfilling their God ordained calling and destiny The devastating effects of sexual addictions and problems are obvious throughout the world The

Sex, Sin and Science: What Evolution Says about Religion and Desire C. Roland Cook,2009-08 More than any other major religion ideology or philosophy Christianity associates sex and especially sexual desire with sin and evil People may be able to avoid earthly punishment for their sexual indiscretions but they can not escape God's judgment an afterlife of eternal pain and suffering in hell Religious sanctions of this sort are supposed to be in opposition to man's sinful nature restraining his dangerous sexuality However punishing

others for sex is actually part of man's nature. In nature, sex is highly competitive. Dominant males fight and threaten as they try to control sexual access to fertile females. Human males behave similarly. Rather than being in opposition to human nature, religion actually reinforces man's animal instinct to control the sexual behavior of others. This explains why religion-inspired sexual restrictions and punishments are so popular among men. Of course, religion claims that it's really all about morality. Without strict religious control over sexual behavior, human passions would lead to the destruction of society. God has given us His law in order to protect us from ourselves. Religion, it is often said, is what is good for society. But if this is so, why is it that those societies where religious belief is strongest and which have the harshest penalties for breaking the sexual code are also the societies that tend to be the least orderly and the most corrupt, brutal and violent? Religion is taken very seriously in many of the Islamic societies of the Middle East and the strictest sexual code is adhered to. Yet these societies are characterized not by prosperity and social order but by poverty, violence and oppression. Meanwhile, the most sexually liberal societies, especially those of Western Europe, are the freest and the most democratic, prosperous and orderly. If strict sexual morality is not really good for society, why do religious conservatives everywhere continue to clamor for it? And why do people so willingly accept religion that tells them their sexuality is sinful and shameful? The truth is that most of the time people act on their own selfish feelings and desires, not on what is good for society as a whole. The desire to limit and control the sexual behavior of others is felt by women as well as men. Powerful feelings such as sexual jealousy inspire aggressive behavior. Strict anti-sex religious morality allows people to act aggressively on these feelings in a socially acceptable way. Thus, it's not really about doing what is good for society; it's all about individual desires. This is best explained from an evolutionary perspective, which is exactly what this book does.

Sin City Vampires Angela Myrick, [The Complete Works of Zacharias Tanee Fomum on Marriage](#) Zacharias Tanee Fomum, 2017-02-20. The Complete Works of Zacharias Tanee Fomum on Marriage contains the following books: *Enjoying the Premarital Life*, *Enjoying the Choice of Your Marriage Partner*, *Enjoying the Married Life*, *A Successful Marriage*, *The Husband's Making*, *A Successful Marriage*, *The Wife's Making*, *Divorce and Remarriage*, *Revolutionary Thoughts of Marriage*, *Freedom from the Sin of Adultery and Fornication*. Life is meant to be enjoyed at every stage: premarital and marital. Marriage itself is meant by God to be heaven on earth. What you do before marriage determines whether your marriage will be heaven on earth or hell on earth. Someone has said that before marriage, your private parts are for urinating. It is only after marriage that they take the additional functions of facilitating sexual pleasure and reproduction. Watch out! The person you choose or accept as a marriage partner may make or mar God's call on your life: build or bastardise your life and make you better or bitter in life. The choice is yours. Do not get married without having established your God-given goal, started pursuing it with rigour and vigour, and being desperately in need of a helper fit to help you in the accomplishment of that goal. The choice is also yours to make your marriage heaven on earth or hell on earth. If you and your partner make God an integral and indispensable part of your union, it will stand firm and free like a

three legged chair If you remove God from it through unbelief backsliding and lack of consecration you make it a two legged chair that cannot stand A successful marriage is the making of both the husband and the wife The husband makes it succeed by being unconditionally loving responsible and protective of his wife The wife on her own part makes it succeed by being unconditionally submissive respectful and pleasing to her husband When these simple principles are violated repeatedly over a sustained period of time dissatisfaction and discontentment set in These may lead to adultery sexual perversion divorce and many other terrible things This volume shows you step by step how to prepare for marriage marry enjoy the married life and avoid the ambushes of marriage It buttresses all these principles with sound testimonies of how things have worked out in the lives and marriages of many born again people worldwide Examples abound in this volume of how some peoples marriages are heaven on earth while others marriages are hell on earth It s all a matter of price paid and obedience to the Lord in His demands on one s life We send this first volume on marriage out with a cry to the Lord that He should use it to produce stable marriages stable homes stable families and so stable churches in this perverse generation **Through The Eyes of A Sinner** Darren Suddoth,2010-03-05 This book is dedicated to the memories of my mother Delores McKnight my father Emanuel Suddoth my sister Valerie Patrice Bowers My intention in writing these poems is to give hope inspiration and encouragement to those who think there is none and to share with others no matter how hopeless things may look God will deliver us All the views expressed are my own therefore the title Through the Eyes of a Sinner It s not my intention to disrespect any religion or denomination Remember our hopes lie in God the most loving merciful forgiving and understanding being we ll ever know *The Moon Goddess' Sins* Vanessa Nicole, The Moon Goddess and the king of the forest fell in love but their love was that of a forbidden love Separated by the rulers of earth they lived on but she bore his sons and daughter Afraid that she couldn t care for them she cast them off into the clans beneath her along with her Wrath Sloth Envy Gluttony Lust Pride and Greed Because they were her children they suffered in many ways but they knew that they were the chosen ones and needed to endure all the sufferings so that one day they could be happy
