Touched By The Goddess The Physical Psychological And Spiritual Powers Of Bodywork:

Touched by the Goddess Deane Juhan, 2001-08 The author of the indispensable bodywork classic *JOB S BODY* offers a fresh look at the physically emotionally and socially transformative powers of touch Backed up by extensive research as well as long hands on bodywork experience this collection of fourteen essays many originally written for *Massage Magazine* takes on not only difficult and critical issues facing therapeutic touch but also its potential to create positive change in all our lives

Eros and Touch from a Pagan Perspective Christine Kraemer, 2013-10-23 Within the past twenty years contemporary Pagan leaders progressive Christian and Goddess theologians advocates for queer and BDSM communities and therapeutic bodyworkers have all begun to speak forcefully about the sacredness of the body and of touch Many assert that the erotic is a divinely transformative force both for personal development and for social change Although the erotic includes sexuality it is not limited to it access to connected nonsexual touch is as profound a need as that for sexual freedom and health In this book Christine Hoff Kraemer brings together an academic background in religious studies and theology with lived experience as a professional bodyworker and contemporary Pagan practitioner Arguing that the erotic is a powerful moral force that can ground a system of ethics Kraemer integrates approaches from queer theology therapeutic bodywork and sexual minority advocacy into a contemporary Pagan religious framework Addressing itself to liberal religious people of many faiths *Eros and Touch from a Pagan Perspective* approaches the right to pleasure as a social justice issue and proposes a sacramental practice of mindful consensual touch

Pagan Consent Culture Christine Hoff Kraemer, Yvonne Aburrow, 2016 In this collection Druids Wiccans Heathens Polytheists and others show how to ground good consent practices in Pagan stories liturgies and values Although many Pagans see the body and sexuality as sacred Pagan communities still struggle with the reality of assault and abuse To build consent culture good consent practices must be embraced by communities not just by individuals and consent is about much more than sexuality Consent culture begins with the idea of autonomy with recognizing our right to control our bodies in all areas of life and it is sustained by empathy the ability to understand and share the emotional states of others

Somatic Movement Dance Therapy Amanda Williamson, 2023-04-20 This book focuses on Somatic Movement Dance Therapy and the importance of self regulation and co regulation The chapters attend to self regulating different tissues through movement breath sound and the imagination Throughout the book the author shares processes and practices that support participants to balance their living tissues moving from sympathetic arousal into parasympathetic ease and release The study of the autonomic nervous system and how to innervate the parasympathetic through breath awareness heart sensing and intero ception is the central through line in the book Uniquely Williamson attends to the anatomical and physiological complexity underlying the apparent simplicity of somatic movement dance practice How to sense perceive and move with attuned awareness of specific body tissues such the skeletal muscular and craniosacral system invites the reader into a deep anatomical and physiological excavation of self

regulation The interconnectivity of fascia and the importance of cardio ception breath awareness and gravity lie at the heart of this book Sensory perceptual awareness of the heart is foregrounded as the most important ingredient in the efficacy of practice as well as gravi ception soft tissue rolling and fascial unwinding Includes a collective foreword from Sarah Whatley Daniel Deslauriers Celeste Snowber and Karin Rugman This is a must read practice as research book for under and postgraduate students researchers and educators and especially important for practitioners who feel the weight and condescension of the mechanistic paradigm *Trager for Self-Healing* Audrey Mairi, 2011-02-09 Find Enlightenment Through Your Physical Body Audrey Mairi views enlightenment not as a philosophical puzzle to solve or a spiritual epiphany but instead as an everyday experience grounded in ordinary physical movements Designed for all ages and fitness levels Trager for Self Healing presents simple ways to increase awareness of the present moment While many books offer advice about being in the now few point out practical ways to experience what that actually feels like The exercises in this book are designed to anchor the feeling of presence in the body mind Based on the work of Dr Milton Trager this book will guide you to release holding patterns open to the Life Force and make healthy choices bringing love and light into your life *The Publishers Weekly*, 2001 *Books in Print Supplement*, 2002 *Job's Body* Deane Juhan, 2003 First published in 1987 and now required reading in many programs of bodywork certification Job s Body has been expanded to include the vitally important developments of the last decade New material for instance based on the groundbreaking research of Candace Pert James L Oschman Jason W Brown and Mae Wan Ho serves to enhance our understanding of how bodywork actually affects our body mind and spirit Book jacket **Forthcoming Books** Rose Arny, 2001 *Subject Guide to Books in Print*, 1991

Living In The Lap of Goddess Cynthia Eller, 1995-12-20 A fascinating introduction to one of the fastest growing religious movements in the United States today Through interviews participant observation and analysis of movement literature Cynthia Eller explores what women who worship the goddess believe how they express those beliefs in private in public and in the political realm and the place of feminist spirituality in the history of American religion **Changing Our Minds** Celia Kitlinger, Rachel Perkins, 1993-09 Women today are being instructed on how they can raise their self esteem love their inner child survive their toxic families overcome codependency and experience a revolution from within By holding up the ideal of a pure and happy inner core psychotherapists refuse to acknowledge that a certain degree of unhappiness or dissatisfaction is a routine part of life and not necessarily a cause for therapy Lesbians specifically are now guided to define themselves according to their frailties inadequacies and insecurities An incisive critique of contemporary feminist psychology and therapy Changing our Minds argues not just that the current practice of psychology is flawed but that the whole idea of psychology runs counter to many tenets of lesbian feminist politics Recognizing that many lesbians do feel unhappy and experience a range of problems that detract from their well being Changing Our Minds makes positive prescriptive suggestions for non psychological ways of understanding and dealing with emotional distress Written in a lively and engaging

style Changing our Minds is required reading for anyone who has ever been in therapy or is close to someone who has and for lesbians feminists psychologists psychotherapists students of psychology and women s studies and anyone with an interest in the development of lesbian feminist theory ethics and practice **Breeze** ,1996 Our Inner Ocean LeCain W. Smith,2014-08-12 Good health is something we all aspire to but its so much more than just being free of disease A perfectly functioning body tranquil mind and vibrant spirit working together harmoniously create the joy and happiness that put the good in good health and the worth into a life worth living Our Inner Ocean describes ancient and new holistic modalities of practitioner applied bodywork and revitalizing self care practices These illuminate our human potential and awaken our ability to attain and maintain perfect health and well being These modalities act as a springboard from which to dive into our inner ocean the realm of wisdom within that is entered by making the body breath and energy our allies This mystical space of awareness intuition peace and love can become the resting place of the spirit subtly working its magic on ourselves and others Bodywork has long been recognized as a way to help people feel better physically but the magic of touch can also help us tap in to the wisdom of the body discover the power of the energy that permeates it and evoke its innate healing ability Self care practices such as yoga qi gong breathwork and meditation help us become our own healers When we pass through these portals into the inner ocean we can reduce stress and pain release blockages prevent and resolve dysfunctions and ignite our spiritual nature And in doing so we make the world a better place Alternative Healthcare Jack Raso,2013-12-05 Raso examines the philosophical underpinnings of alternative medicine as well as hands on healing Qigong and faith healing He shows that whatever the specific philosophy the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well being of mind and body The final section is a firsthand account of Raso s many revealing visits to various alternative healthcare practitioners The book concludes with an encyclopedic glossary of alternative healthcare terminology **Karmic Tarot** William C. Lammey,1988 **New Age** ,2000
