Understanding Popular Culture John Fiske

John Fiske

Understanding Popular Culture John Fiske:

Understanding Popular Culture John Fiske, 2010-10-08 Designed as a companion to *Reading the Popular* Understanding Popular Culture presents a radically different theory of what it means for culture to be popular that it is literally of the people

Reading the Popular John Fiske, 2017-12-04 This revised edition of a now classic text includes a new introduction by Henry Jenkins explaining Why Fiske Still Matters for today's students followed by a discussion between former Fiske students Kevin Glynn Jonathan Gray and Pamela Wilson on the theme of Reading Fiske and Understanding the Popular Both underline the continuing relevance of this foundational text in the study of popular culture Beneath the surface of the cultural artifacts that surround us shopping malls popular music the various forms of television lies a multitude of meanings and ways of using them not all of them those intended by their designers In *Reading the Popular* John Fiske analyzes these popular texts to reveal both their explicit and implicit and often opposite meanings and uses and the social and political dynamics they reflect Fiske's readings of these cultural phenomena highlight the conflicting responses they evoke Madonna may be promoted as a boy toy but young girls feel empowered by her ability to toy with boys Chicago's Sears Tower may be a massive expression of capitalist domination but it can also allow one to tower over the city In each case it is the latter option that interests him for this is where Fiske locates popular culture it is the point at which people take the goods offered them by industrial capitalism however oppressive they may seem and turn them to their own creative and even subversive uses Designed as a companion to *Understanding Popular Culture* *Reading the Popular* gives the lie to theories that portray a mass audience that mindlessly consumes every product it is offered Fiske's acute perception and lively wit combine to provide a truly democratic vision of popular culture one that respects the awareness and the agency of the people who make it

Popular Culture Theory and Methodology Harold E. Hinds, Marilyn Ferris Motz, Angela M. S. Nelson, 2006 Since its birth in the 1960s the study of popular culture has come a long way in defining its object its purpose and its place in academe Emerging along the margins of a scholarly establishment that initially dismissed anything popular as unworthy of serious study trivial formulaic easily digestible escapist early practitioners of the discipline stubbornly set about creating the theoretical and methodological framework upon which a deeper understanding could be founded Through seminal essays that document the maturation of the field as it gradually made headway toward legitimacy *Popular Culture Theory and Methodology* provides students of popular culture with both the historical context and the critical apparatus required for further growth For all its progress the study of popular culture remains a site of healthy questioning What exactly is popular culture How should it be studied What forces come together in producing disseminating and consuming it Is it always conformist or has it the power to subvert refashion resist and destabilize the status quo How does it differ from folk culture mass culture commercial culture Is the line between high and low merely arbitrary Do the popular arts have a distinctive aesthetics This collection offers a wide range of responses to these and similar questions Edited by Harold E Hinds Jr Marilyn

F Motz and Angela M S Nelson *Popular Culture Theory and Methodology* charts some of the key turning points in the culture wars and leads us through the central debates in this fast developing discipline Authors of the more than two dozen studies several of which are newly published here include John Cawelti Russel B Nye Ray B Browne Fred E H Schroeder John Fiske Lawrence Mintz David Feldman Roger Rollin Harold Schechter S Elizabeth Bird and Harold E Hinds Jr A valuable bibliography completes the volume

Interrogating Popular Culture Stacy Takacs, 2014-09-04 *Interrogating Popular Culture* Key Questions offers an accessible introduction to the study of popular culture both historical and contemporary Beginning from the assumption that cultural systems are dynamic contradictory and hard to pin down Stacy Takacs explores the field through a survey of important questions addressing Definitions What is popular culture How has it developed over time What functions does it serve Method What is a proper object of study How should we analyze and interpret popular texts and practices Influence How does popular culture relate to social power and control Identity and disposition How do we relate to popular culture How does it move and connect us Environment How does popular culture shape the ways we think feel and act in the world Illustrated with a wide variety of case studies covering everything from medieval spectacle to reality TV sports fandom and Youtube *Interrogating Popular Culture* gives students a theoretically rich analytical toolkit for understanding the complex relationship between popular culture identity and society

The Audience Studies Reader Will Brooker, Deborah Jermyn, 2003 Key writings exploring questions of reception interpretation and interactivity The fan audience the active audience gender and audience nation and ethnicity internet audiences

Postmodernism and Popular Culture John Docker, 1994-12-12 An intellectual adventure this book engages with some of the most important academic debates of our time

Communication Perspectives on Popular Culture Andrew F. Herrmann, Art Herbig, 2016-10-12 Popular culture helps construct define and impact our everyday realities and must be taken seriously because popular culture is simply popular *Communication Perspectives on Popular Culture* brings together communication experts with diverse backgrounds from interpersonal communication business and organizational communication mass communication media studies narrative rhetoric gender studies autoethnography popular culture studies and journalism The contributors tackle such topics as music broadcast and Netflix television shows movies the Internet video games and more as they connect popular culture to personal concerns as well as larger political and societal issues The variety of approaches in these chapters are simultaneously situated in the present while building a foundation for the future as contributors explore new and emerging ways to approach popular culture From case studies to emerging theories the contributors examine how popular culture media and communication influence our everyday lives

[Readers' Advisory Service in North American Public Libraries, 1870-2005](#) Juris Dilevko, Candice F.C. Magowan, 2007-02-13 Beginning in the early 1980s readers advisory services were a widely discussed topic in North American public libraries By 2005 almost every public library in the United States and Canada offered some form of readers advisory service The services offered have changed significantly in ways

perhaps disadvantageous to adult North American library patrons This book provides a critical history of readers advisory philosophy and offers a new perspective on the evolution of the service The book analyzes the debate that shaped readers advisory and discusses how the service has assumed its present form The study follows readers advisory through its three prominent stages of development beginning with the period 1870 to 1916 when the service was still a subject of much crucial debate about its meaning and purpose During the second phase 1917 to 1962 readers advisory systematically committed itself to meaningful adult education through serious and purposeful reading The book argues however that during the most recent phase of readers advisory from 1963 until the present contemporary public libraries have turned their backs on the rich heritage of readers advisory services by valorizing the reading of entertainment oriented and commodified genre titles and bestsellers Historical analysis case studies and statistical charts augment the book s central argument

Popular New Orleans Florian Freitag, 2020-10-01 New Orleans is unique which is precisely why there are many Crescent Cities all over the world for almost 150 years writers artists cultural brokers and entrepreneurs have drawn on and simultaneously contributed to New Orleans s fame and popularity by recreating the city in popular media from literature photographs and plays to movies television shows and theme parks Addressing students and fans of the city and of popular culture Popular New Orleans examines three pivotal moments in the history of New Orleans in popular media the creation of the popular image of the Crescent City during the late nineteenth century in the local color writings published in Scribner s Monthly Century Magazine the translation of this image into three dimensional immersive spaces during the twentieth century in Disney s theme parks and resorts in California Florida and Japan and the radical transformation of this image following Hurricane Katrina in public performances such as Mardi Gras parades and operas Covering visions of the Crescent City from George W Cable s Old Creole Days stories 1873 1876 to Disneyland s New Orleans Square 1966 to Rosalyn Story s opera Wading Home 2015 Popular New Orleans traces how popular images of New Orleans have changed from exceptional to exemplary

Television Studies Jonathan Gray, Amanda D. Lotz, 2019-01-15 Television Studies provides an overview of the origins central ideas and intellectual traditions of this exciting field What have been the primary areas of inquiry in television studies Why and how did these areas develop How have scholars studied them How are they developing What have been the discipline s key works This book answers these questions by tracing the history of television studies right up to the digital present surveying emerging scholarship and addressing new questions about the field s relationship with the digital The second edition includes an examination of how internet distributed services such as Netflix have adjusted the stories industrial practices and audience experience of television For all those wondering how to study television or even why to study television this new edition of Television Studies will provide a clear and engaging overview of key topics The book works as a stand alone introduction and by placing key works in a broader context can also provide an excellent basis for an entire course

Eventually, you will completely discover a supplementary experience and carrying out by spending more cash. nevertheless when? accomplish you believe that you require to acquire those all needs in imitation of having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to comprehend even more not far off from the globe, experience, some places, behind history, amusement, and a lot more?

It is your certainly own mature to work reviewing habit. in the middle of guides you could enjoy now is **Understanding Popular Culture John Fiske** below.
