Sea to North Sea Originally devised by the legendary Alfred Wainwright the Coast to Coast Walk has steadily become one of Britain's most popular long distance walks and it is not hard to see why Planned to seek out the most spectacular high ground across the country it takes you from the sea in the west to the sea in the east via three of England's loveliest National Parks the Lake District the Yorkshire Dales and the North York Moors Its 192 miles from the quiet Cumbrian village of St Bees to Robin Hood's Bay are a substantial test of endurance that will take even a fit walker a fortnight to accomplish but also a wonderfully varying walk from sea cliffs to craggy mountains and lakes then across rolling dales and finally heather moorland For everyone who reaches Wainwright's Bar at journey's end on the North Yorkshire coast it will have been the walk of a lifetime Amazon website

Coast to Coast Walk A. Wainwright, 1994 When Wainwright planned his cross England expedition he chose a route which he hoped would commit no act of trespass or offence against privacy It later transpired that certain sections of the route did indeed cross land over which there was no public right of way and this revised edition sets out to amend those sections so that the walk is now either on public roads public rights of way or on permissive paths

Wainwright Walks Coast to Coast, 2009 Beautifully simple beautifully defined and providing a complete spectrum of northern England Wainwright's Coast to Coast Walk is 190 miles that have become one of the classic long distance challenges of the British Isles a challenge that now faces Julia Bradbury Having completed his Pictorial Guides to the Lakeland Fells Alfred Wainwright became obsessed with finding the perfect route across the north of England from the Irish Sea to the North Sea Following in his footsteps with his Coast to Coast book as her guide Julia sets out from the cliffs at St Bees in Cumbria crossing moorland mountains and national parks to reach her destination Robin Hood's Bay in North Yorkshire Featuring stunning aerial footage we follow Julia meeting interesting characters along the way as she walks from coast to coast

[Walking Wainwright's Coast to Coast](#) Lee Senior, 2022 Walking Wainwright's Coast to Coast is a compelling and humorous account of walking almost 200 miles 320km across England The iconic Coast to Coast walk from St Bees to Robin Hood's Bay has won many accolades and is voted as the second best walk in the world This book encapsulates the very best that the walk has to offer There is an in depth look at the route including snippets of history along the way The book isn

t intended to be a guidebook Instead it is an absorbing first hand account of the heat of battle including route suggestions and places to stay *Five Miles a Pint!* Tim Newing,2020-06-05 Other South West Coast Path walkers usually seem to start rather sensibly at the beginning progress to the middle and finish at the end Often the challenge seems to be tackled in one hit which is fine if you can spare the eight weeks needed to do it that way But our story is not like that Snatching time off from work when we could the sections of path we attempted depended upon the availability of out of season public transport Wainwright's Coast to Coast walk it's Alternative cousin and our own Hare Brained Hike were duly conquered but the Path still resisted Whatever the terrain whatever the weather the presence of killer steps or otherwise and regardless of whether or not we stopped at lunchtime we always seemed to average two miles per hour over each trip And as we went we recorded both our adventures and our fuel economy Wainwright's Coast to Coast Alfred Wainwright,1993 **The Coast-to-Coast Walk** Trevor K Bell,2021-02-28 This is based on the route described in The Coast to Coast Walk by Alfred Wainwright Trevor Bell sets off along the same pathways The result is a historical and partly anecdotal account of the route from Robin Hood's Bay in Yorkshire to St Bees in Cumbria evoking a nostalgia for an England which is fast disappearing Coast to Coast Walk A. Wainwright,2010-05-25 This is the first fully revised and updated edition of A Wainwright's pocket sized guide to the Coast to Coast Walk which he devised in the early 1970s Over the years this 190 mile walk from St Bees Head on the Irish Sea by way of the Lake District the Pennines Swaledale and the North York Moors ending at Robin Hood's Bay on the North Sea has become one of the best loved long distance routes in the world It has prompted countless enthusiasts to lace up their walking boots and follow Wainwright's example and inspired a TV series too This brand new edition of the Pictorial Guide contains Wainwright's hand drawn route maps and his inimitable commentary completely revised where necessary by Chris Jesty The route is picked out in red for greater visibility on the page and every step of the walk has been checked and updated **The Coast to Coast Walk** Terry Marsh,2023-02-27 A guidebook to walking the Coast to Coast Path National Trail originally conceived by Alfred Wainwright Suited to experienced walkers the 302km 188 mile C2C passes through the Lake District Yorkshire Dales and North York Moors to link St Bees on the west coast with Robin Hood's Bay on the east The route is described from west to east with a summary for hikers travelling in the opposite direction It is presented in 13 stages of between 17 and 33km perfect for a fortnight's holiday although longer itineraries are also suggested Contains step by step description of the route alongside 1 100 000 maps and elevation profiles Includes a separate map booklet containing OS 1 25 000 mapping and route line Route summary table and trek planner showing the distribution of facilities and public transport along the route Accommodation listings **Travels of an Everyday Man** David Ferguson Elliott,2010-11 *Travels of an Everyday Man* follows the adventures of David Ferguson Elliott as he discovers countries far and wide His impressions of cultures around the world will delight you and leave you waiting for his next book showcasing his further travels When the author was a young man he broke his leg while rock climbing For rehabilitation therapy he began taking long distance treks
